- 19.1 No Strike or Lockout. The university agrees that there will be no lockout at the university during the term of this agreement. UFF-UF-GAU agrees that there will be no strike by itself or by any employees during the term of this agreement.
- 19.2 Effect of Passage of Law. Any provision of this agreement which is contrary to law but becomes legal during the term of this agreement shall take immediate effect upon the enactment of such legislation.
- 19.3 Legislative Action. The university and UFF-UF-GAU agree that neither will attempt to influence or support changes in existing statutes or legislation which would change the terms of this agreement.
- 19.4 Venue. For purposes of venue in any judicial review of an arbitrator's decision, the parties elect to submit themselves to the jurisdiction of the courts in Alachua County, Florida. In an action commenced in Alachua County, neither the university nor UFF-UF-GAU will move for a change of venue based upon the defendant's residence if other than Alachua County.
- 19.5 Copies of Agreement. The university agrees to send to the UFF-UF-GAU office one hundred (100) copies of the ratified agreement and amended articles or provisions. A link to the final agreement shall be placed in an appropriate location on the University of Florida Graduate School web page.
- 19.6 Class Titles. Whenever the university creates a new class it shall designate such class as being either within or outside the bargaining unit and shall notify UFF-UF-GAU. Further if the university revises the specifications of an existing class so that its bargaining unit designation is changed, it shall notify UFF-UF-GAU of such new designation. Within ten (10) days following such notification, UFF-UF-GAU may request a meeting with the university for the purpose of discussing the designation. If following such a discussion UFF-UF-GAU disagrees with the designation, it may request the Florida Public Employees Relations Commission resolve the dispute through unit clarification proceedings. An employee may request a review of the appropriateness of the employee's classification by the appropriate university office. The matter shall not be subject to Article 22, Grievance Procedure.
- 19.7 Report to UFF-UF-GAU. The university shall provide a report containing the following information to the UFF-UF-GAU no later than the third week of the semester if

practicable: employee name, class, title/code, hiring/academic department, pay rate, employee FTE, email address, and campus mail address. This report is in addition to the reports provided by the university pursuant to Article 11.3. The spring semester report shall include whether or not each GA is having union dues deducted.

- 19.8 Dissemination of Information. The university agrees to work with UFF-UF-GAU to disseminate information.

Article 20
OTHER EMPLOYEE RIGHTS

- 20.1 **Work Space.** If the university requires that the assigned duties of an employee be performed in a specific on-campus location other than the computer center of the library, the university shall provide space for such assignment. If practicable, space shall be provided where private consultations with employees' students may be held. Before an employee's work space location is changed or before there is a substantial alteration to an employee's work space to a degree that impedes the employee's work effectiveness, the affected employee shall be notified if practicable at least one month prior to such change.
- 20.2 **Mail.** Employees shall be entitled to receive employment-related mail at their work location. Each employee shall be notified of a location where such mail may be collected.
- 20.3 **Safe Conditions.** The university shall make every reasonable effort to provide employees with a safe working environment. Whenever a bargaining unit employee reports a condition that he or she feels represents a potential violation of safety or health rules and regulations, the appropriate administrator shall investigate such conditions. Upon conclusion of the investigation, the appropriate administrator shall inform the employee of the findings including any actions required. No employee shall suffer an adverse employment action for making a report under this section.
- 20.4 **Limitation on Personal Liability.**
- (a) In the event that an employee is sued for an act, event, or omission which may fall within the scope of Section 768.28, Florida Statutes, the employee shall notify the university as soon as possible after receipt of the summons commencing the action in order that the university may fulfill its obligation. Failure to notify the employer promptly may affect the rights of the parties.
 - (b) For information purposes the following pertinent language of Section 768.28(9), Florida Statutes, is reproduced herein:
No officer, employee, or agent of the state or its subdivisions shall be held personally liable in tort for any injuries or damages suffered as a result of any act, event, or omission of action in the scope of his employment or function unless such officer, employee, or agent acted in bad faith or with malicious purpose or in a manner exhibiting wanton or willful disregard of human rights, safety, or property.
- 20.5 **Access to Resources.** Employees who are assigned instructional or research duties shall be provided reasonable access to departmental laboratories, studios, computer center, photocopy services, and the like used in connection with assigned responsibilities.

20.6 Child Care Research Committee.

- (a) A committee consisting of at least one representative from UF Human Resources, the Graduate School, Baby Gator Administration, and UFF-UF-GAU shall be formed to discuss improving access of graduate assistants to on-campus child care facilities.
- (b) The committee shall begin to research options no later than September 1, 2014.
- (c) The committee shall meet as needed during Fall 2014 and Spring 2015 semesters.

Article 21
DISCIPLINE

- 21.1 Policy. The purpose of this article is to provide a prompt and equitable procedure for disciplinary action.
- (a) Just Cause. No employee shall be subject to disciplinary action except for just cause. Just cause shall be defined as misconduct or incompetency.
 - (b) Activities that fall outside of the scope of employment shall constitute misconduct only if such activities adversely affect the legitimate and compelling interests of the university.
 - (c) Disciplinary Action other than Termination. The university retains the right to impose disciplinary action other than termination including but not limited to suspension with or without pay provided that the punishment is appropriate to the degree of misconduct. The degree of discipline may be related to behavior or actions subject to discipline.
 - (d) Admonitions, oral reprimands, letters of counseling (including recommended or mandated participation in an Employee Assistance Program), and similar criticism shall not be considered disciplinary action and shall not be subject to the grievance procedure.
 - (e) Due Process. Disciplinary action shall be imposed by the university in accordance with the principles of due process.
 - (f) No provisions in this article shall be interpreted in a manner that violates a graduate assistant's rights conferred by this agreement or by law.
- 21.2 Progressive Discipline. Outlined below are the steps for progressive discipline.
- (a) The university may combine or skip steps depending upon the facts of each situation and the nature of the conduct.
 - (b) The sanctions for disciplinary actions that may be imposed on an employee may include but are not limited to the following:
 - 1. Written reprimand containing a description of the misconduct.
 - 2. Suspension with pay for a period of time specified in writing. The written statement of suspension shall include the terms of the suspension.
 - 3. Suspension without pay for a period of time specified in writing.
 - 4. Termination.
- 21.3 Investigation. The investigation of alleged misconduct shall be conducted in as confidential manner as possible, and in the process of the investigation the alleged misconduct shall be considered in the context of the entire circumstances.

- 21.4 Notice of Discipline. If after the investigation the university believes that a written reprimand, suspension, or termination shall be imposed, the university shall provide the employee with a written notice of disciplinary action. The notice of discipline shall:
- (a) Provide notice of the discipline imposed including specific reasons for the discipline;
 - (b) Include the date on which the discipline shall become effective;
 - (c) Contain a statement that if the employee wishes to contest the discipline, the employee must file a grievance within twenty-five (25) days after receipt of the notice.
- 21.5 Employee Assistance Program. Neither an employee's participation in an Employee Assistance Program (EAP) nor information generated by participation in the program shall be used as a reason for discipline under this article. However failure to cooperate in an EAP may serve as a basis for disciplinary action.
- 21.6 Grievances and Arbitrations in Disciplinary Cases. Grievances and arbitrations in cases involving disciplinary actions shall be in accordance with the provisions in Article 22.
- 21.7 Parameters for Arbitrator's Decision or Award.
- (a) See Article 22 for more detail.
 - (b) If the arbitrator does not find that the disciplinary action was based on just cause, the discipline imposed shall be annulled. If the arbitrator concludes that just cause for any form of disciplinary action has been established, the arbitrator is not authorized to reduce the level of discipline an administrator has issued in his or her exercise of authority.
 - (c) The decision of the arbitrator shall be binding upon the university, UFF-UF-GAU, and the grievant provided that either party may appeal to an appropriate court of law.
 - (d) No further Jeopardy. Following the decision, the employee may not be disciplined again for charges arising from the same incident unless new facts or evidence materialize that were not known or reasonably available for discovery prior to the arbitrator's decision.
- 21.8 In the event that the university terminates an employee for disciplinary reasons during a semester, the tuition waiver shall be cancelled and the employee shall be responsible for paying his or her tuition for the semester from the date of termination to the end of the semester. The university shall prorate the amount of tuition owed based on how long the employee worked during the semester.

Article 22
GRIEVANCE PROCEDURE

- 22.1 Purpose. The university and UFF-UF-GAU agree that all problems should be resolved whenever possible before filing of a grievance, and both encourage open communication between administrators and employees so that resort to the formal grievance procedure will not be necessary. The university and UFF-UF-GAU further encourage the informal resolution of grievances. At each step in the grievance process, participants are encouraged to pursue appropriate modes of conflict resolution. The purpose of the article is to promote a prompt and efficient procedure for the investigation and resolution of grievances. The procedures hereinafter set forth shall be the sole and exclusive method of resolving the grievances of employees.
- 22.2 Resorts to Other Procedures. If prior to seeking resolution of a dispute by filing a grievance hereunder or while the grievance proceeding is in progress an employee or UFF-UF-GAU seeks resolution to the matter in any other forum, whether administrative or judicial, the employer shall have no obligation to entertain or proceed further with the matter pursuant to this grievance procedure, and the grievance shall be deemed withdrawn. Further, since the parties do not intend that the grievance procedure be a device for appellate review, the president's response to a recommendation of a hearing officer or other individual or group having appropriate jurisdiction in any other procedure shall not be an act or omission giving rise to a grievance under this procedure.
- 22.3 Definitions as used herein:
- (a) The term "grievance" shall mean a dispute concerning the interpretation or application of a specific term or provision of this agreement filed pursuant to this article and subject to those exclusions appearing in other articles of this agreement.
 - (b) The term "grievant" shall mean an employee or group of employees who has filed a grievance in a dispute over a provision of this agreement.
- 22.4 Representation. UFF-UF-GAU shall have the exclusive right to represent any employee in grievances filed hereunder provided that employees may represent themselves or be represented by legal counsel. If an employee elects not to be represented by UFF, the university shall promptly inform UFF-UF-GAU in writing of the grievance. No resolution of any individually processed grievance shall be inconsistent with the terms of this agreement, and for this purpose UFF-UF-GAU shall have the right to have an observer present at all meetings called between grievants and the university for the purpose of discussing grievances and shall be sent copies of all decisions at the same time that they are sent to the other participants.

22.5 Grievance Representatives. UFF-UF-GAU shall furnish annually to the university a list of all persons authorized to act as grievance representatives and shall update the list as needed. The UFF-UF-GAU grievance representative shall have the responsibility to meet all instructional, research, and other duties and responsibilities incidental to the assigned workload. Some of these activities are scheduled to be performed at particular times. Such representatives shall have the right during times outside of the hours scheduled for these activities to investigate, consult, and prepare grievance presentations and attend grievance meetings. Should any hearings or meetings with the university necessitate rescheduling of assigned duties, the representative may, with the approval of the appropriate administrator, arrange for the rescheduling of such duties or their coverage by colleagues. Such approval shall not be unreasonably withheld.

22.6 Appearances.

- (a) When an employee participates during working hours in arbitration or in a grievance meeting between the grievant or representative and university, that employee's compensation shall neither be reduced nor increased for time spent in those activities.
- (b) Prior to participation in any such proceedings, conferences, or meetings, the employee shall make arrangements acceptable to the appropriate supervisor for the performance of the employee's duties. Approval of such arrangements shall not be unreasonably withheld. Time spent in such activities outside of regular working hours shall not be counted as time worked.

22.7 Grievance Forms. All grievances and arbitration notices must be submitted in writing within the time limits set forth in this article on forms attached to this agreement as Appendices C, D, and E, and shall be signed by the grievant. Except for the initial filing of the grievance, if there is difficulty in meeting any time limit, the UFF-UF-GAU representative may sign such document for the grievant.

FORMAL GRIEVANCE PROCEDURE

22.8 Filing. The filing of a written grievance shall constitute a waiver of any rights that the grievant may have under Chapter 120, Florida Statutes, or under any other university procedures with regard to the matters contained in the grievance. A grievance may be withdrawn at any time by the grievant or by the UFF-UF-GAU representative.

22.9 Step 1.

- (a) An employee having a dispute concerning the interpretation or application of a specific term or provision of this agreement may within twenty-five (25) days following the act or omission giving rise thereto, or the date on which the

employee knew or reasonably should have known of such act or omission, whichever is later, file a grievance. Prior to the deadline of filing a grievance, UFF-UF-GAU may request an extension of the filing deadline for the purposes of seeking an informal oral resolution of the complaint. The grievance shall be filed on the form contained in Appendix C of this agreement.

- (b) In advance of the Step 1 meeting, the grievant shall have the right upon request to a copy of any identifiable and currently existing documents relevant to the grievance. The university will provide such data within ten (10) days of written request.
- (c) The university shall schedule a Step 1 hearing within ten (10) days of the filing of the grievance and shall issue a written decision to the grievant and the grievant's representative, if any, within ten (10) days following the meeting.
- (d) At the Step 1 meeting, the grievant shall have the right to present any evidence in support of the grievance.

22.10 Step 2.

- (a) If the grievance has not been satisfactorily resolved at Step 1, UFF-UF-GAU may upon request of the grievant and on the form contained in Appendix D, request a review of the Step 1 decision. The request shall be made within ten (10) days after receipt of the Step 1 decision and shall include a copy of the grievance form filed at Step 1 and all written responses and documents in support of the grievance.
- (b) The president's designee shall schedule a Step 2 hearing with the UFF-UF-GAU grievance representative and the grievant within ten (10) days after receipt of the request and shall issue a written decision to the grievant and to the grievant's representative within ten (10) days following any meeting.

22.11 Step 3-Arbitration. If the grievance has not been satisfactorily resolved at Step 2, UFF-UF-GAU may upon request of the grievant proceed to arbitration by filing a written notice of intent to do so on the form contained in Appendix E. Notice of intent to proceed to arbitration must be filed with the university within twenty-five (25) days after receipt of the Step 2 decision. Within fourteen (14) days after receipt of a notice of arbitration, representatives of the university and UFF-UF-GAU shall meet for the purpose of selecting an arbitrator. The parties may mutually select as the arbitrator an individual who is not a member of the arbitration panel (Article 22.24). The arbitration shall be concluded within ninety (90) days following the selection of the arbitrator or as soon thereafter as is practicable.

22.12 Authority of the Arbitrator.

- (a) The arbitrator shall not add to, subtract from, modify, or alter the terms or provisions of this agreement. Arbitration shall be confined solely to the

application and or interpretation of this agreement and the precise issues submitted for arbitration. The arbitrator shall have no authority to determine any other issue. The arbitrator shall refrain from issuing any statements of opinion or conclusions not essential to the determination of the issues submitted.

- (b) If a supervisor has made a judgment involving the exercise of discretion such as decisions regarding evaluation, the arbitrator shall not substitute the arbitrator's judgment for that of the supervisor, nor shall the arbitrator review such decision except for the purpose of determining whether the decision has violated this agreement.
- (c) If the arbitrator determines that the agreement has been violated, the arbitrator shall direct the university to take appropriate action. An arbitrator may award back pay if the arbitrator determines that the employee is not receiving the appropriate compensation from the university, but the arbitrator may not award other monetary damages or penalties.
- (d) If notice that further employment will not be offered is not given on time, the arbitrator may direct the university to renew the appointment only upon a finding that no other remedy is adequate and that the notice was given so late that the employee was deprived of reasonable opportunity to seek other employment or that the employee actually rejected an offer of comparable employment that the employee otherwise would have accepted.

22.13 Burden of Proof. In all grievances except disciplinary grievances, the burden of proof shall be on the employee. In disciplinary grievances, the burden of proof shall be on the UFBOT.

22.14 Arbitrability. In any proceeding, the first matter to be decided is the arbitrator's jurisdiction to act, which decision the arbitrator shall announce. Upon concluding that the arbitrator has no such power, the arbitrator shall make no decision or recommendation as to the merits of the grievance. Upon concluding that the issue is arbitrable, the arbitrator shall normally proceed with the hearing at that time provided that either party may seek judicial review of the arbitrator's decision as to jurisdiction and have the hearing on the merits of the grievance delayed until such review is completed, pursuant to Section 682.03, Florida Statutes.

22.15 Conduct of Hearing.

- (a) The arbitrator shall hold the hearing in the city of Gainesville unless otherwise agreed upon by the parties. The hearing shall commence within twenty-five (25) days of the arbitrator's acceptance of selection or as soon thereafter as is practicable, and the arbitrator shall issue the decision within sixty (60) days of the

close of the hearing or the submission of the briefs, whichever is later unless additional time is agreed upon by the parties.

- (b) The decision shall be in writing and shall set forth findings of fact, reasoning, and provisions of the Florida Arbitration Code, Chapter 682, Florida Statutes shall not apply. Except as modified by the provisions of this agreement or by other agreement of the parties, arbitration proceedings shall be conducted in accordance with the rules and procedures of the American Arbitration Association.

22.16 Effect of Decision. The decision or award of the arbitrator shall be final and binding upon the university and the grievant, provided that either party may appeal to an appropriate court of law a decision that was rendered by the arbitrator acting outside of or beyond the arbitrator's jurisdiction, pursuant to Section 682.0, Florida Statutes.

22.17 Fees and Expenses. All fees and expenses of the arbitrator shall be divided equally between the parties. Each party shall bear the cost of preparing and presenting its own case. The party desiring a transcript of the arbitration proceedings shall provide written notice to the other party of its intention to have a transcript of the arbitration made at last one week prior to the date of the arbitration. The party desiring such transcript shall be responsible for scheduling a stenotype reporter to record the proceedings. The parties shall share equally the appearance fee of the stenotype reporter and the cost of obtaining an original transcript and one copy for the party originally requesting a transcript of the proceedings. The requesting party shall, at its expense, photocopy the copy of the transcript received from the reporter and deliver the photocopy to the other party within five (5) days after receiving the copy of the transcript from the reporter.

22.18 Time Limits. All time limits contained in this article may be extended by mutual agreement of the parties. Upon failure of the university to provide a decision within the time limits provided in this article, the grievant or UFF-UF-GAU may appeal to the next step. Upon the failure of the grievant or UFF-UF-GAU to file an appeal within the time provided in this article, the grievance shall be deemed to have been resolved by the decision at the prior step.

22.19 Notification. All grievances, requests for reviews, notices, and decisions shall be transmitted in person or by certified or registered mail, restricted delivery, or return receipt requested. In the event of a question as to the timeliness of any grievance, request for review, notice, or decision, the date of receipt shall be determinative. In the event that any action falls due on a day when the university is closed for normal business, the action will be considered timely if it is accomplished by 5:00PM the following business day.

- 22.20 Retroactivity. An arbitrator's award may or may not be retroactive as the equities of each case may demand, but in no case shall an award be retroactive to a date earlier than thirty-five (35) days prior to the date that the grievance was initially filed in accordance with this or the date on which the act or omission occurred, whichever is later.
- 22.21 Processing. The filing or pendency of any grievance or of arbitration proceedings under this article shall not operate to impede, preclude, or delay the university from taking the action complained of. Reasonable efforts including the shortening of time limits when practical shall be made to conclude the processing of a grievance prior to the expiration of the grievant's employment whether by termination or failure to reappoint. In no event shall any employee as a result of a pending grievance receive compensation following cessation of employment.
- 22.22 Reprisal. No reprisal of any kind will be made by the university, UFF-UF-GAU, or their representatives against any grievant, witness, UFF-UF-GAU representative, or any other participant in the grievance procedure by reason of such participation.
- 22.23 Records. All written materials pertinent to a grievance shall be filed separately from the evaluation file of the grievant or witnesses except decisions resulting from arbitration or settlement.
- 22.24 Selection of Arbitration Panel. Representatives of the university and UFF-UF-GAU shall meet within ninety (90) days after the execution of this agreement for the purposing of selecting a six-member arbitration panel. Selection shall be by mutual agreement or by alternately striking names from the arbitration panel list until one name remains. The winner of a coin toss shall be first to strike a name from the list.

Article 23
TOTALITY OF AGREEMENT

- 23.1 Limitation. The parties acknowledge that during the negotiations which resulted in this agreement, UFF-UF-GAU had the unlimited right and opportunity to present demands and proposals with respect to any and all matters lawfully subject to collective bargaining and that all of the understandings and agreements arrived at thereby are set forth in this agreement, and that it shall constitute the entire and sole agreement between the parties for its duration.
- 23.2 No Obligation to Bargain. The UFBOT and UFF-UF-GAU, during the term of this agreement, voluntarily and unqualifiedly waive the right and agree that the other shall not be obligated to bargain collectively with respect to any subject matter whether or not referred to or covered by this agreement even though such subject or matter may not have been within the knowledge or contemplation of the parties at the time of negotiating or signing of this agreement.
- 23.3 Modifications. Nothing herein shall preclude the parties from mutually agreeing to alter, amend, delete, enlarge, or modify any of the provisions of this agreement in writing.

Article 24
SEVERABILITY

24.1 In the event that any provision of this agreement (a) is found to be invalid or unenforceable by final decision of a tribunal of competent jurisdiction (b) is rendered invalid by reason of subsequently enacted legislation, (c) shall have the effect of a loss to the State of Florida or to the UFBOT of funds, property, or services made available through federal law, or (d) pursuant to Section 447.309(3), Florida Statutes, can take effect only upon the amendment of a law, rule, or regulation and the governmental body having such amendatory powers fails to take appropriate legislative action, then that provision shall be of no force or effect, but the remainder of the agreement shall continue in full force and effect. If a provision of this agreement fails for reason (a), (b), or (c) above, the parties shall enter into immediate negotiations for the purpose of arriving at a mutually satisfactory replacement for such provision.

Article 25
AMENDMENT AND DURATION

- 25.1 Duration. The agreement shall become effective on the date it is ratified by both parties and remain in effect through June 30, 2017.
- 25.2 Article 10 (Stipends) shall be reopened each year of this agreement. This reopened shall start no earlier than January 1.
- 25.3 By mutual agreement, the parties may reopen other specific provisions of this collective bargaining agreement. Such reopeners may occur at any time.
- 25.4 Reopener negotiations under 25.2 and 25.3 shall be limited to ninety (90) days.
- 25.5 Amendments. In the event that the university and UFF-UF-GAU negotiate a mutually acceptable agreement, it shall be put in writing and become part of this agreement upon ratification by both parties.
- 25.6 Negotiations for a successor agreement shall begin no later than January 15, 2017.
