Locating Salary Cap Information

The Commitments module performs salary cap calculations for key personnel on sponsored projects. This guide provides instructions for locating salary cap information in the system.

1. To access the Commitments module, click the Main Menu.
2. Click Effort Reporting and then click Effort Commitments.
3. Click Commitments - By Project.
4. Type the project ID in the Project ID field and then click Search.
5. To load the current posted sequence for the commitment, click the Go button. The commitment is loaded. A check box displays in the OTC column to indicate the over the cap limit applies for an employee (see Figure 1 below).
