* Monthly Reimbursement: ______________

* Purchase Reimbursement: ____________

Initiate Date: _______________  End Date: _______________

* This reimbursement is not taxable to the employee. Typically, such reimbursements would be in the $40 per month range. However, because the use and needs can vary so significantly the appropriate reimbursement should be determined and documented by the department head, but should not be more than $150 per month. The purchase reimbursement limit for each device is $150.00 for cell phones and $250.00 for similar wireless communication devices. These purchases are limited to once every two years.

Amount Justification / Business Purpose:
Type of employee meeting the official business need for cell phone/similar wireless communication devices use (mark all that apply):

- Department Head level position or above
- Key critical situation members (requiring 24/7 contact: i.e., network administrators, police, facilities staff, etc.)
- Field staff (job duties require being out of the office a significant amount of the time)
- Other (please provide justification):

Certification and Signature:
I certify that I have read and understand the UF Cell Phone and Similar Wireless Communication Devices Directive. It is my responsibility to report changes or interruptions in service of the device to my department contact. I also affirm that a reimbursement, other than the one stated above, is not being received from another department or activity affiliated with the University of Florida.

Wireless Device Reimbursements

• No additional substantiation of personal or business use required
• Payment via Accounts Payable unencumbered vouchers, rather than through Payroll
• Enter one voucher per fiscal year, to be paid out monthly for wireless service reimbursement
• Reimbursement may not always cover full cost, given some personal use is involved
Wireless Device Reimbursements

• Device Purchase reimbursement made no more than once every 2 years

• Employee transfers or terminations?
  – Contact Disbursement Services to close the voucher and prevent future reimbursements

• Allowable grant expenditure guidelines must still be followed

Research Participant Payments

Treasury Management

Finance and Accounting
RPP program - Overview

• Over $2m to research participants per year
• Current process can be improved
• F&A soliciting feedback to improve process
• Feedback received
  – Payments to UF employees
  – Participant concerns over SSNs
  – Process for obtaining gift cards
  – General concerns/confusion on process
RPP program - Goals

Customer Service, Compliance, Confidentiality

• Streamlined, efficient process for obtaining and reporting payments
• Central office for processing payments, regardless of type
• Improved security and reporting of participant payment information
Effective January 1, 2012

- UF employees are no longer paid through payroll; they are paid same as other participants

- Studies that pay $25.00 or less per participant per study do not need to collect participant SSN (but must collect name/address)
RPP program – Future Plans

• Online application/approval for all study payments
• Secure system in which to report participant payment information
• Central purchasing of gift cards (and returns)
• Prepaid debit card option
• No restrictions on method of payment per participant (re: $600 threshold)

GatorHire

A new hire experience

We are pleased to announce a new hiring process effective February 27, 2011 which will include:

• GatorJobs—an upgrade and new look and feel

• GatorStart—an online onboarding process

• GatorResources—a dedicated resource page for employees
An applicant tracking system

- New and updated look and feel
- New features for departments and applicants
- Enhanced flexible reporting capabilities
- Further guidelines regarding “down” time coming this later this month
- Continue to close out completed or stalled recruitments, paying close attention to OPS and student jobs
- R&S will assist departments with transition
- Training available online January 25, 2012
- Training required by March 5, 2012 to retain security
An online onboarding system

- Smart online forms to minimize errors and missing fields
- Online I-9 management and reporting, automatic submission to E-Verify
- Ability (and goal) to have the new employee complete the hiring packet prior to arriving onsite and being “ready to work” on their first day
- Provide new hire with useful information to introduce them to the University
- Live demonstration at next HR Forum
- Training available online January 25, 2012
- Training required by March 5, 2012 to retain security
A screenshot of the Employment Center's website showing the user interface for managing hiring packet forms. The interface includes a menu with options such as Change Password and Logout. Below the menu, there is a table displaying information about an employee named Jack Jackson, including date, location, and position. The hiring packet forms are listed, with some forms marked as completed and others not complete. The website includes links for terms and conditions and privacy policy, as well as a copyright notice for 2011 TALX.
New website to provide employees with information on:

- Getting settled (orientation/benefits/parking etc)
- Getting started in myUFL (time reporting etc)
- Getting to know UF
- Work/life balance
- International employee information
- Personal & professional development
- Support (U Matter We Care, EAP etc)
- Explore (on campus/off campus)
Criminal Background Checks
Criminal Background Checks

In order to support the continuous effort in maintaining and fostering safety and security of students, faculty, and staff at the University of Florida, we are pleased to announce:

• Effective March 1, HRS will pay the costs of all criminal background checks conducted by our office
• Currently, costs are covered only when the background check is required (Teams/Faculty)
• HRS will now centrally pay for optional checks (OPS/Student)
New Employee Orientation
New Employee Orientation

- Alongside Recruitment and Staffing’s overall GatorHire initiative, T&OD is focused on improving the broader new employee orientation process
  - Focus group invitations to new employees as well as recent hires (randomly selected)
  - Will use feedback to help design online NEO as well as other resources as appropriate
Portal/Tools Upgrade
Portal/Tools Upgrade

• Scheduled for February 19
• Affects underlying elements of system—not how we complete transactions
• Users will “click” rather than “hover” when navigating through system
• Please work with your IT support to ensure browsers are updated. Specifically:
  – Not supported: Internet Explorer 6, Firefox 3.5 and Firefox versions between 3.6 and 7
  – Supported: Firefox 3.6 and 7 as well as Internet Explorer 8 and 9
