

Keep your eyes healthy with a HumanaVision Plan.

Vision health impacts overall health

Eye examinations not only help your vision, but your doctor can catch major health issues, too. Many diseases — diabetes, hypertension, multiple sclerosis, high blood pressure, osteoporosis and rheumatoid arthritis — can be diagnosed by looking into your eyes.

HumanaVision encourages prevention, early diagnosis and treatment, helping you achieve good vision and a healthy lifestyle.

Use Your HumanaVision Benefits

You have access to one of the largest vision networks in the United States, with more than 35,000 participating optometrists, ophthalmologists, and national retail locations, including LensCrafters®, Pearle Vision®, Sears® Optical, Target® Optical and JCPenney® Optical. In addition, you'll enjoy:

- The same benefits at all participating providers, no matter where they're located
- Wholesale pricing on frames, avoiding high retail markups
- Simple access to plan information, provider search, Customer Care and other automated services at www.HumanaVisionCare.com

How it Works

1. After signing up for the vision plan, you will receive an ID card in the mail.
2. Prior to scheduling your appointment, select a participating provider through the Customer Care center, automated information line or www.HumanaVisionCare.com.
3. Schedule an appointment, providing your name, the patient's name and employer.
4. Sign your provider's form after your exam; you'll pay any copayments and/or costs of any upgrades at that time.

HumanaVision Providers

Please check with the doctor of your choice or call the Customer Care department at 1-866-537-0229 when making your appointment to make certain he or she is currently a participating doctor. You may also visit www.HumanaVisionCare.com for a nationwide listing of participating providers.

How Does the Wholesale Frame Allowance Work?

Benefits include a wholesale frame allowance. If the wholesale cost exceeds the frame allowance, members pay twice the wholesale difference. They never pay full retail.

Retail price*	Wholesale price	Wholesale allowance	Member pays	Savings
\$125	\$50	\$50	\$0	\$125
\$187.50	\$75	\$50	\$50 (\$75 - \$50 = \$25 X 2 = \$50)	\$137.50
* Retail costs may differ and are based on two to three times the wholesale costs. Actual savings may vary.
