

The following are actions that a hiring department may need to take while assisting a new employee in his/her onboarding process.

To access GatorStart:

Click **Main Menu** > **Departmental Administration** > **GatorStart** > **GatorStart Onboarding Web Manager and I-9 Management**

1. **Look up An Employee:** Choose **Lookup** from the webManager Menu, then type in the employees first and last name (the last four of the SSN is optional).
  - o To see the individual's details, click on the employee's name to open the GatorStart packet. Once open, you can see their information and view their completed forms.

3. **Reset Password:** If the social security number or date of birth for the new employee is updated in the GatorStart packet, the hiring department will need to

click on the **Reset Password** button to reset the employee's password to reflect the change. The information must also be updated in myUFL system.

4. **Resend Invitation:** Can resend an invitation to a new employee anytime by clicking on this button. When updating the new employee's email address in the GatorStart packet, the hiring department will need to click on the **Resend Invitation** button to email a GatorStart invitation to the new email address.
5. **Cancel Packet:** If the hiring department needs to cancel a packet, please contact Core HR.

6. **Change Employee Information:** Hiring departments can edit the new employees' **Personal Information** section prior to the individual completing that section of the GatorStart packet. This includes correcting the new employee's social security number, legal name, date of birth, physical address, phone number, email, start date, and department number. Please note any changes made to the **Personal Information** section in GatorStart must also be updated in myUFL.
7. **Reviewing Onboarding Documents in GatorStart:** From the **Documents** tab, click on each individual document title to see that employee's completed form. Please note, the FRS form can be reviewed once it is completed by the employee to confirm their retirement/distribution status.
8. **Review the Status of Individual Documents:** A checkmark in the **EC** (Employee Completed) column for the document means the employee completed that document. Pending documents are unchecked in the **EC** column.

9. **Printing Onboarding Documents in GatorStart:** From the **Documents** tab, click on the far right white box in the gray row to select all the documents in the column, or click the white boxes next to the documents needed, and then click **Print Checked**. Please note, it may be faster to print out the individual documents in lieu of the entire packet at once.
