How to put on a mask

1 Sanitize your hands.

2 Pick up mask using ear loops.

3 Expand the mask. (Colored side faces out.)

4 Place mask on your face by securing loops around your ears.

5 Adjust mask to cover your chin and pinch metal nose piece to give a secure fit.

How to remove a mask

1 Sanitize your hands.

2 Handle only by ear loops to remove mask.

3 Dispose of mask immediately.

4 Sanitize your hands.
