About Your Earnings Statement

- Your earnings statement (commonly known as a pay stub) will no longer be delivered to you in hard copy; instead, it will be available online.
- This affects all employees who have direct deposit. There is no change for those who have received an exemption from the direct deposit requirement.
- You can view or print out your earning statement by clicking on "View Paycheck" in the self-service menu in the [myUFL portal](#) at any time and any place.
- You can use the links in your online earnings statement to view a different payment or see previous paychecks. (Note: Your compensation history begins as of July 1, 2004 since it is based only on the transactions entered into the new myUFL systems.)
