Overview

Due to the unique circumstances of the COVID-19 pandemic, the Department of Homeland Security (DHS) has relaxed its requirements for completing the Form I-9. These temporary changes are scheduled until May 15, 2020 OR within 3 business days after the termination of the National Emergency, whichever comes first. This timeframe is subject to change by DHS as the COVID-19 situation evolves.

At the University of Florida, our goal is to adhere to regular practices as much as possible without endangering anyone’s health or safety.
