HOW TO WEAR A FACE COVERING SAFELY AND EFFECTIVELY

YOUR FACE COVERING SHOULD:

• Fit snugly but comfortably against the side of the face
• Be secured with ties or ear loops
• Include multiple layers of fabric
• Allow for breathing without restriction
• Be able to be laundered and machine dried without damage or change to shape

Step 1 — SECURE

Remember to wash your hands before putting on a face covering. Secure it by tightening ear loops or ties. Wash your hands afterward.

Step 2 — WEAR

Avoid touching your eyes or the surface of your face covering while wearing it. Always wear in common areas.

Step 3 — REMOVE

When removing your face covering, avoid touching the surface and your eyes, nose and mouth.

Step 4 — WASH

Wash your hands immediately upon removing your face covering, which should be washed frequently.

TYPES OF FACE COVERINGS

Mask  Cloth  Bandana
