Spring New Hire Screening
Spring New Hire COVID-19 Screening

- With the start of the spring term, January is typically the second busiest month in terms of hiring activity.
- Colleges and Units should plan for the Screen, Test & Protect testing sites to be unavailable during the December break.
- As a result, departments should plan to initiate the hiring ePAF in myUFL as soon as possible in order to provide new faculty and staff the ability to complete the screening process prior to the break.
- While testing will be available at the start of the spring term, faculty and staff may experience limited availability due to required student testing.
