MEMORANDUM OF UNDERSTANDING

ARTICLE 21: OTHER LEAVES

The purpose of this Memorandum of Understanding (MOU) is to:

1) Modify specific policy implementation dates associated with the Tentative Agreement on Article 21 reached on June 25, 2020 between the University of Florida Board of Trustees (UFBOT) and the United Faculty of Florida at the University of Florida (UFF-UF);

2) Ensure that certain aspects of the Tentative Agreement, as detailed below, shall be implemented no later than January 1, 2021;

3) Delay the transition from the current leave system, under which faculty accrue both sick and vacation leave, to a new leave system, under which faculty accrue Paid Time Off (PTO), and;

4) Reserve UFF’s right to renegotiate terms if the University changes its proposed leave policy for out-of-unit faculty.

Articles 21.9, 21.10, 21.12 (a) (1) (2) (4), 21.13 (a) (3), and 21.14 (c) and (e) of the Tentative Agreement reached on June 25, 2020 shall not take effect until the entire University moves forward with the transition to paid time off. All other provisions of this Tentative Agreement shall take effect upon ratification of the CBA.

Upon ratification of the CBA, any advanced parental leave balance accrued between January 1, 2021 and the ratification of the CBA shall be forgiven, per the terms of Article 21.7(b), below. Between the ratification of this MOU and the ratification of the CBA, the University shall also suspend the requirement that in-unit faculty who took advanced parental leave under the current parental leave program make reimbursement payments or contributions toward their existing leave balances. Additionally, any leave as defined in 21.11 (a) that is taken between January 1, 2021 and the ratification of the CBA may count toward the eighty (80) hours of paid time off (PTO) that faculty members are required to take prior to accessing paid medical leave, as per Article 21.11 (a) (1), below.

Article 21.9(a)(1) and 21.9(a)(2) shall be changed from a bi-weekly transfer of hours to an annual transfer of hours.

UFF reserves the right to renegotiate terms of this Memorandum, the Tentative Agreement on Article 21.9, 21.10, 21.12 (a) (1) (2) (4), 21.13 (a) (3), and 21.14 (c) and (e), or Article 21.9, 21.10, 21.12 (a) (1) (2) (4), 21.13 (a) (3), and 21.14 (c) and (e) of a ratified Collective Bargaining Agreement should the University implement a different leave policy for out-of-unit faculty.

Provides for unpaid leaves for qualified medical and family reasons as enumerated in this Article. The failure to list, define, or specify any particular provision or portion of the FMLA in this Agreement shall not constitute a waiver of any of the rights or benefits conferred to the employer or the faculty member through the FMLA.

126 (b) Implementation of Family and Medical Leave Entitlements. A faculty member shall be entitled to four hundred and eighty (480) hours of family medical leave within a twelve (12) month period either for the faculty member’s medical condition or in order to care for an “immediate family member” who is seriously ill for an extended period and for whom the faculty member has significant care responsibilities.

131 (1) Definitions. An “immediate family member” shall be defined as a faculty member’s spouse, domestic partner, great-grandparent, grandparent, parent, brother, sister, child, grandchild, great-grandchild, or the great-grandparent, grandparent, parent, brother, sister, child, grandchild, or great-grandchild, of the faculty member’s spouse or domestic

partner, or the spouse or domestic partner of any of them. An “immediate family member” shall also include an individual for whom the faculty member, domestic partner, or spouse is the current legal guardian or holds medical power-of-attorney, or other dependent or relative who lives in the faculty member’s household. A “parent” shall be defined as the biological, adoptive, step or foster parent of a faculty member or an individual who stood in loco parentis to a faculty member when the faculty member was a child. A “child” shall be defined as a biological, adopted, or foster child, a stepchild, a legal ward, or a child of a person standing in loco parentis. The term “seriously ill” or “serious health condition” shall be defined as an injury, impairment, or physical or mental condition that involves inpatient care in a hospital, hospice, or residential medical care facility; or continuing treatment by a health care provider.

(b2) The University complies with the federally mandated Family Medical Leave Act of 1993 enacted by the Department of Labor, which is referenced in Regulation 1.201 and the University FMLA policy. All employees are eligible who have worked at least twelve (12) months, which need not have been consecutive, and who have worked at least 1250 hours in the twelve (12) months prior to the leave.

(3) The faculty member may take the leave either continuously or intermittently.

(c) Accounting for the Use of Family and Medical Leave in a Twelve Month Period.

(1) The fiscal year (July 1 – June 30) shall be the designated twelve (12)-month period in which to count the use of up to four hundred and eighty (480) hours of family and medical leave.

(2) An eligible faculty member entitlement to leave for a birth or placement for adoption or foster care expires at the end of a twelve (12)-month period beginning on the date of the birth or placement of the child.

(d) Use and Approval of Family and Medical Leave.

(1) The University shall approve Family and Medical leave for an eligible faculty member as long as the reasons for absence qualify and the faculty member has not exhausted the faculty member’s eligibility for that fiscal year. The faculty member may request Family and Medical leave as accrued paid leave, unpaid leave, or a combination of both.

(2) The University may require that the faculty member use accrued paid leave prior to requesting unpaid leave. Requiring the use of paid leave shall be applied consistently and shall not be used merely to exhaust the faculty member leave balance in order to prohibit the use of accrued paid leave while on unpaid leave as provided for in Section 21.12(e).

(3) The University will comply with FMLA notice requirements regarding designation of leave.

(e) Medical Certification.

172 (1) The University may require a faculty member to provide medical certification from a
173 health care provider for unpaid leave when taken for the serious health condition of the faculty
174 member or a family member.

176 (2) Medical certification may be required to affirm the faculty member’s ability to return to
177 work and perform one or more of the essential functions of the job within the meaning of the
178 Americans with Disabilities Act (ADA).

180 (f) Return to Position. The faculty member shall be returned to the same or equivalent
181 position in the same class and work location unless the University and the faculty member
182 agree in writing to other terms and conditions.

183 (g) Continuation of Benefits. The use of Family and Medical leave by eligible faculty
185 members shall neither enhance nor decrease any rights or benefits normally accrued to salaried
186 faculty members during a paid leave or any rights or benefits normally accrued during an unpaid
187 leave.

189 (ch) If any provision of Section 21.6 is inconsistent with or in contravention of the Family
190 Medical Leave Act of 1993 then such provision shall be superseded by the laws or regulations
191 referenced above, except to the extent that the collective bargaining agreement or any
192 employee benefit program or plan provides greater family, parental, or medical leave rights to
193 an eligible faculty member.

21.7 Parental Leave.

203 (a) A faculty member shall be granted a parental leave not to exceed six (6) months when
204 the faculty member becomes a biological parent or a child is placed in the faculty member’s
205 home pending adoption, or the faculty member otherwise has significant care responsibilities for
206 a newborn, a newly adopted child, or a child received into a licensed family foster home or any
207 other situation in which a faculty member, domestic partner, or spouse becomes a legal
208 guardian.

209 (b) Paid Parental Leave Program. Effective January 1, 2021, a facult
210 y member shall be provided with up to six (6) eight (8) weeks of advanced paid parental sick or vacation leave for

four (24) months.** Faculty who have an advanced leave balance associated with the previous
parental leave policy will have the remainder of their advanced leave balance forgiven. Faculty
members may take up to six (6) years to repay the leave hours advanced to them as part of this
program. If a faculty member resigns before paying back the time, unused leave balances will
be applied to the leave repayment.

(c) The period of parental leave shall be determined by the faculty member in consultation
with the University. Upon approval by the University, the dates and other conditions of the leave
shall be provided to the faculty member in writing.

(d) At the end of the approved parental leave, a faculty member may request a part-time
leave for one (1) year. The University shall grant such request, unless it determines that
granting such leave would be inconsistent with the best interests of the University. If a faculty
member plans to use a combination of accrued paid leave and unpaid leave, such request shall
include the specific periods for each type of leave requested.

(e) Any illness caused or contributed to by pregnancy shall be treated as a temporary
disability, and the faculty member shall be allowed to use accrued **sick leave credits paid time**

does not allow a faculty member to fully and properly perform the duties of the faculty member
position. When a faculty member’s illness or injury may be covered by the Americans with
Disabilities Act, the provisions of Public Law 101-336 shall apply.

1. A full-time 10 and 12-month faculty member shall accrue ten (10) hours of PTO sick leave for each biweekly pay period, or the number of hours directly proportionate to the number of days worked during less than a full-pay period. A maximum of 480 PTO hours may be accrued. Any hours in excess of 480 shall be transferred to the employee’s medical leave account bi-weekly. A part-time 10 and 12-month faculty member shall accrue PTO sick leave at a rate directly proportionate to their FTE.

(2) A full-time 9-month faculty member and P.K. Yonge Developmental Research School faculty member shall accrue four (4) hours of PTO for each biweekly pay period, or the number of hours directly proportionate to the number of days worked during less than a full-pay period. Employees must report all leave used, to include leave without pay, within the pay period in which the leave was used. If an employee is not able to report time within the pay period in which the leave is used, the leave must be reported before the end of the following pay period.

(b) **Types of (2) Uses of Sick Leave: Paid Time Off (PTO).**

1. Planned PTO is scheduled leave that is taken after approval is received from the employee’s immediate supervisor.
   a. Sick leave shall be accrued before being taken except leave taken through a sick leave pool.
   b. Sick leave shall be authorized for the following purposes:
   1. The faculty member’s personal illness, injury, exposure to a contagious disease, disability where the faculty member is unable to perform assigned duties, or appointments with health care providers.

281. A faculty member who requires the use of sick leave should notify the supervisor as soon as practicable.

283. A faculty member who becomes eligible for the use of sick leave while on approved vacation leave shall, upon notifying the supervisor, substitute the use of accrued paid sick leave to cover such circumstances.

286. (d) (3) Certification. Employees may be required to submit documentation from a health care provider:

1. For four (4) or more consecutive unplanned workdays.

2. When employees call in sick after they have requested and been denied Planned PTO.

3. When a pattern of absences is documented and the faculty member is absent without the supervisor’s knowledge or approval.

If a faculty member’s request for absence or absence exceeds four (4) consecutive days, or if a pattern of absence is documented, the University may require a faculty member to furnish certification issued by an attending health care provider of the medical reasons necessitating the absence and/or the faculty member’s ability to return to work. If the medical certification furnished by the faculty member is not acceptable, the faculty member may be required to submit to a medical examination at University expense by a health care provider who is not a University staff member. If the medical certification indicates that the faculty member is unable to perform assigned duties, the University may place the faculty member on compulsory leave.

(e) (4) Transfer of Credits.

1. The University maintains reciprocal arrangements with certain universities, local governments, and state agencies that permit new faculty members to transfer up to 80 hours of accrued sick leave paid time off. Such election shall be made within one hundred thirty-one (31100) days of employment.

Upon entering into the Deferred Retirement Optional Program (DROP), available to faculty enrolled in the State of Florida Pension Plan, a 10 and 12-month faculty member may elect to be paid up to the maximum payment allowed for the faculty member’s unused paid time off. 347 of death shall be made to the faculty member’s beneficiary, estate, or as provided by law.

21.10 Medical Leave Account. The medical leave account is designed to provide
employees with access to leave for extended use in the event of a serious medical
condition as defined by the Family Medical Leave Act of 1993.

(a). Effective January 1, 2021, all hours currently in the employee’s sick leave account
will be converted to the medical leave account with the exception of eighty (80) hours
which will be transferred into the employee’s paid time off account.

(b). Uses of Medical Leave Account:
(1). Subsequent time away from work following the eight (8) twelve (12) weeks of parental leave, up to a total away of six (6) months.

(2). To care for employee’s own serious medical condition or the serious medical condition of an immediate family member.

(c). Medical Certification. Medical certification from a health care provider will be required if an employee is accessing their medical leave account for their own serious medical condition or the serious medical condition of an immediate family member. The University reserves the right to request a second opinion from a healthcare provider if there is reason to doubt the validity of the medical certification.

(d) Payment for Unused Medical Leave Account Time.

(1). Upon separation, a faculty member with ten (10) or more years of creditable service who was hired prior to April 1, 2010, shall be paid for one-fourth of unused medical leave account time up to a total of four hundred eighty (480) hours. A faculty member hired on or after April 1, 2010, shall not be paid for any unused medical leave account time upon separation and such leave shall be forfeited.

(2). Upon layoff, a faculty member with ten (10) or more years of State service who was hired prior to April 1, 2010, shall be paid for unused medical leave account time as described above. For a faculty member who is re-employed by the university in a leave-accruing position within three hundred sixty-five (365) days following layoff, all unused medical leave account time shall be restored to the faculty member, provided the faculty member requests such action in writing and repays the full amount of any lump sum leave payments received at the time of layoff.

(3). All payments for unused medical leave account time shall be made in lump sum and shall not be used in determining the average final compensation of a faculty member in any State administered retirement system. The faculty member shall forfeit all unused vacation leave in excess of three hundred fifty-two (352) hours.

(2) Upon transfer from position that accrues vacation leave to an academic-year or Developmental-Research-School position within the University, the faculty member may elect to retain all unused vacation leave until such time, not to exceed two (2) years, as the faculty member transfers back to position that accrues vacation leave or terminates employment with the University. Upon such termination or at the end of two (2) years, whichever comes first, the unused leave balance shall be paid in lump sum for up to three hundred fifty-two (352) hours at...

associated with the faculty member’s established pay plan upon entering DROP.

leave PTO balance.

(2) An appearance as an expert witness for which a faculty member receives
professional compensation falls under Article 26, Outside Activity and Conflict of Interest,

necessitate the faculty member requesting vacation leave PTO or, if a non-vacation leave
accruing faculty member, may necessitate the faculty member seeking an adjustment of
the work schedule.

Such leave may be extended upon mutual agreement.

(b) Retirement Credit. Retirement credit for such periods of unpaid leave shall be governed by the rules and regulations of the Division of Retirement and the provisions of Chapter 121, Florida Statutes.

(c) Accrual of Leave and Holiday Pay. While on unpaid leave, the faculty member shall retain accumulated sick leave and vacation leave, PTO, but shall not accrue sick leave or vacation leave PTO nor be entitled to holiday pay.

other UF-sponsored insurance programs, and for other expenses.

(2) Normally the use of accrued paid leave during a period of unpaid leave for
medical reasons shall be approved for up to six (6) months, but may be approved for up
to one (1) year for the serious health condition of the faculty member or a member of the
faculty member’s immediate family.

(3) The employer contribution to the State insurance program shall continue for the
corresponding payroll periods.

(4) A faculty member’s request for the use of accrued paid leave during a period of
unpaid leave shall be made at the time of the faculty member request for the leave. Such

use during the approved period of unpaid leave. If circumstances arise during the
approved leave that causes the faculty member to reconsider the combination of leave
with and without pay, the faculty member may request approval of revisions to the
original approval.

(f) Salary Adjustment. While on such leave, a faculty member shall also be eligible to
participate in any special salary incentive programs. The salary of a faculty member returning
