Recognition

1.1. Inclusions

The UFBOT hereby recognizes the PBA-LT as the exclusive representative for the purpose of collective bargaining with respect to wages, hours, and terms and conditions of employment for all law enforcement employees certified pursuant to Chapter 943, Florida Statutes included in the University of Florida bargaining unit defined in Certification No. 1911 issued by the Florida Public Employees Relations Commission on April 18, 2017, and any amendments thereto.

1.2. Exclusions

This Agreement specifically excludes employees in positions designated with confidential, temporary, and all persons paid from Other Personal Services (OPS) Funds.

1.3. Classes and Positions

- A. When the University establishes a new law enforcement classification or revises an existing bargaining unit classification so that its bargaining unit designation is changed, the University shall notify the PBA-LT regarding the proposed bargaining unit designation of the classification. The PBA-LT shall notify the University, in writing, within fifteen (15) calendar days of receipt of the notice, of any comments it has regarding the bargaining unit designation or of its desire to discuss such designation. If, following such discussion, the PBA-LT disagrees with the bargaining unit designation of the classification; it may request that the Florida Public Employees Relations Commission resolve the dispute through unit clarification proceedings.
- B. When a new position is created in a classification that is included in the bargaining unit, and the University determines that the position should be excluded due to its managerial or confidential status, the University shall notify the PBA-LT of such determination. The PBA-LT shall notify the University, in writing, within fifteen (15) calendar days of receipt of the notice, of any comments it has regarding the bargaining unit designation or of its desire to discuss such designation. If, following such discussion, the PBA-LT disagrees with the bargaining unit designation of the position, it may request that the Florida Public Employees Relations Commission resolve the dispute of unit placement.
- C. The ability of the PBA-LT to offer comments or discuss changes pursuant to either Section 1.3.A. or 1.3.B. above will not serve to waive any right of impact bargaining over the creation or revision of job classifications under this Section if such right exists and is properly elected to be exercised by the PBA-LT.

Article 2

Management Rights

The PBA agrees that the University has, and will continue to retain, whether exercised or not, the right to determine unilaterally the purpose of the University, set standards of services to be offered to the public, and exercise control and discretion over its organization and operations. It is the right of the University to direct its employees, take disciplinary action for proper cause, and relieve its employees from duty because of lack of work or other legitimate reasons, except as abridged or modified by the express provisions of this Agreement; provided, however, that the exercise of such rights shall not preclude an employee or employee representative from raising a grievance on any such decision which violates the terms and conditions of this Agreement.

If it is determined that civil emergency conditions exist, including riots, civil disorders, hurricane conditions, pandemics or public health emergencies, similar catastrophes or disorders, the provisions of this Agreement may be suspended by the University during the time of the declared emergency or twenty-one (21) calendar days, whichever is shorter, provided that wage rates, overtime, and other monetary benefits shall not be suspended and provided further that any disciplinary action shall be grievable at the end of the declared emergency in accordance with the provisions of this Agreement. If the University suspends this agreement and at the conclusion of the twenty-one (21) calendar days wishes to continue the suspension, the University must provide the PBA with what specific articles it feels must be suspended, the supporting reasons, and an anticipated end date of the specific suspensions of the agreement.

Article 3

Employee Representation and PBA-LT Activities

3.1. Designation and Selection of Representatives

- A. The President of the PBA-LT shall annually furnish to the University, no later than January 1, a written list of Employee Grievance Representatives, PBA-LT Staff Representatives, and other PBA-LT representatives who are designated to assist in processing grievances. The list will include the name, address and work telephone number of each Employee Grievance Representative, PBA-LT Staff Representative, and other PBA-LT representatives. The University will not recognize any person as an Employee Grievance Representative, PBA-LT Staff Representative, or other PBA-LT grievance representative whose name does not appear on the list. This list may be amended in writing as new representatives are designated by the PBA-LT.
- B. total of three (3) employees may be designated to serve as Employee Grievance Representatives.

3.2. Representative Access

- A. Employee Grievance Representatives, PBA-LT Staff Representatives, and other PBA-LT grievance representatives shall have access to the premises of the University in accordance with policies regarding public access to University property, and may request of the Chief of Police or designee in writing access to the premises of the University, including premises not available to the public under University policies for the purpose of investigating an employee's grievance. Any permission for access shall not be unreasonably denied and shall be limited to the working hours of the employee with whom the representative wishes to speak. Such access and investigation shall not impede University operations. If access is denied, UF will provide in writing its reasons.
- B. The PBA-LT shall have the right to use University facilities for meetings on the same basis as they are available to other university-related organizations.

3.3. Consultation

- A. Consultation with Chief of Police. The Chief of Police or designee shall meet with up to three (3) local PBA-LT representatives, or such other number as the parties agree, to discuss matters pertinent to the implementation or administration of this Agreement, or any other mutually agreeable matters. The party requesting consultation shall submit a written list of agenda items no less than one (1) week in advance of the meeting. The other party shall also submit a written list of items in advance of the meeting if it wishes to discuss specific issues. The University and the PBA-LT understand and agree that such meetings may be used to resolve problems

regarding the implementation and administration of the Agreement; however, such meetings shall not constitute or be used for the purpose of collective bargaining. Neither party shall be obligated to meet under this Article more than two (2) times per calendar year unless otherwise mutually agreed upon.

- B. Consultation with University representative. Such consultations will be in accordance with the provisions of (A) above.
- C. If a consultation is held or requires travel time during the working hours of any employee participant, such participant shall be excused without loss of pay for that purpose. Attendance outside regular working hours shall not be deemed time worked.

3.4. Employee Information and Rules Provided

- A. Upon written request of the PBA-LT, the University, on a semi-annual basis, will provide a list of bargaining unit employees, with the name, work address, classification title, hourly rate of pay, and date of hire for each employee. The PBA-LT shall be responsible for payments of the applicable charges for such information in accordance with the Public Records Act.
- B. Rules enacted through the provisions of Chapter 120, Florida Statutes, will be maintained on the University's website. Other University or Departmental policies, rules or departmental directives applicable to the bargaining unit will be maintained in a location within the Police Department accessible to employees, and employees will be notified of such location.
- C. At least twenty (20) calendar days prior to the adoption or amendment of any University personnel rule which will change the terms and conditions of employment for bargaining unit employees, UF will provide notice to the PBA-LT of its intended action, including a copy of the proposed rule or the website where the proposed rule may be accessed, a brief explanation of the purpose and effect of the proposed rule, and the name of a person to whom the PBA-LT may provide comments, concerns, or suggested revisions. (This notice provision will not apply where a rule is promulgated as an emergency rule under the provisions of Chapter 120, Florida Statutes.) The PBA-LT may provide its written comments, concerns, or suggested revisions, if any, to the UF contact person within ten (10) calendar days of receipt of the notice. The University will consider and respond in writing to the comments, concerns, and suggestions of the PBA-LT within ten (10) calendar days of their receipt by the University; such response will include the reasons for rejecting any suggested revisions. The PBA-LT or the University may use the consultation process described in Section 3.3 to discuss such proposed revisions to a University personnel rule. However, the PBA-LT must request such consultation within ten (10) days of receipt of notice of the proposed rule revision. Nothing in this section shall constitute a waiver of the PBA-LT's right to negotiate over changes in terms and conditions of employment.

3.5. Negotiations and PBA-LT Activities

- A. The University and the PBA-LT shall each select its own bargaining team. The PBA-LT will be provided with a credit of fifty (50) hours of time to use for collective bargaining during the 2023 and 2024 reopener negotiations and a credit of one hundred (100) hours to use for collective bargaining during the 2025 successor agreement negotiations, subject to the conditions set forth below:
1. Employees on duty must coordinate their absence with supervisors in advance to insure they can be absent without impacting operations. Every reasonable effort will be made to approve such requests;
 2. Within 24 hours following each scheduled negotiating session, the PBA-LT will be responsible for providing written notification to the Police Chief/designee of the individuals who were on duty during negotiations and the hours to be charged against the hour credit for each respective year;
 3. Employees not scheduled to work during the scheduled negotiating session are not eligible to use the credit; and
 4. Unused time will not accrue or carry over beyond the negotiations for which the credit was granted.
- B. If time off for collective bargaining in excess of what has been granted in the form of a credit pursuant to Section 3.5.A. above is needed, PBA-LT negotiating team members who are also University employees shall attend negotiations on their own time, or while using accrued leave. The University agrees to make a reasonable effort to facilitate leave requests or to grant requests for schedule adjustments to allow PBA-LT negotiating team members to attend negotiations so long as additional costs are not incurred and operational efficiency is not impacted.
- C. Employees may request the use of accrued annual leave or unpaid leave for the purpose of attending PBA-LT conventions, conferences, and meetings. So long as such requests are made at least four (4) weeks in advance and would not cause the Department to incur overtime or other costs, such requests will not be unreasonably denied. If such a request is denied, the PBA-LT will be provided the reason for denial in writing.
- D. Member not part of the bargaining team must request annual leave at least twenty-four (24) hours in advance or be off duty to attend bargaining sessions.

Article 4

4.2. Penalty

Any or all employees who violate any provision of the law prohibiting strikes, or of this Article, will be subject to disciplinary action up to and including dismissal, and any such disciplinary action shall not be subject to the Grievance Procedure established herein.

Article 5

Dues Deduction

5.1. Deductions and Remittance

- A. During the term of this Agreement, the University will deduct PBA-LT dues in an amount established by the PBA-LT and certified in writing by the President of the Florida Police Benevolent Association to the UFBOT, from employees' pay for those employees who individually make such request on the deduction form provided by the PBA-LT included as Appendix A. Such deductions will be made by the University when other payroll deductions are made and will begin with the pay for the first full pay period following receipt of the authorization by the University.
- B. Where an employee has been suspended or dismissed and subsequently returned to work with full or partial back pay, the University shall deduct the PBA-LT membership dues that are owing for the period for which the employee receives back pay. Dues deduction will be resumed for such employees and those employees who return from unpaid leave.
- C. The PBA-LT shall advise the University of any increase in dues or other authorized deductions in writing at least thirty (30) calendar days prior to its effective date.
- D. This Article applies only to the deduction of membership dues and uniform assessments, if any, and shall not apply to the collection of any fines, penalties, or special assessments.
- E. The University will not be required to process Dues Deductions Authorization Forms that are: (1) incorrectly and/or incompletely filled out; (2) postdated; or (3) submitted to the University more than sixty (60) calendar days following the date of the employee's signature.
- F. Deductions of dues shall be remitted exclusively to the President of the Florida Police Benevolent Association within thirty (30) calendar days after the deductions are made, or as soon as practical thereafter, along with a list containing the names of the employees for whom the remittance is made. It shall be the responsibility of the PBA-LT to notify the University, in writing, of the name and address of the individual to whom dues are to be sent, as well as any changes thereto.

5.2. Insufficient Pay for Deduction.

In the event an employee's salary earnings within any pay period are not sufficient to cover dues and any other authorized deductions, it will be the responsibility of the PBA-LT to collect its dues for that pay period directly from the employee.

5.3. Termination of Deduction

Deductions for PBA-LT dues shall continue until either: 1) revoked by the employee by providing the University and the PBA-LT with thirty (30) calendar days written notice that the employee is terminating the prior check off authorization, 2) revoked pursuant to Section 447.507, Florida Statutes, 3) the termination of employment, or 4) the transfer, promotion, or demotion of the employee out of this bargaining unit. If these deductions are continued when any of the above situations occur, the PBA-LT shall, upon notice of the error, reimburse the employee for the deductions that were improperly withheld.

5.4. Indemnification

The PBA-LT shall indemnify, defend, and hold the UFBOT, the State of Florida, and their officers, officials, agents, and employees harmless against any claim, demand, suit, or liability (monetary or otherwise), and for all legal costs arising from any action taken or not taken by the University, the State, or their officials, agents, and employees in complying with this Article. The PBA-LT shall promptly refund to the University any funds received in accordance with this Article which are in excess of the amount of dues that the University has agreed to deduct.

While such disputes are subject only to the enforcement mechanisms established by law and are not subject to grievance and arbitration under this Agreement, the Union may, at any time, request a consultation with the UF Human Resources Director of Employee and Labor Relations, or designee, in order to address issues of concern.

Article 7

7.1. Work Week

- A. The normal work schedule for PBA-LT's shall consist of a two (2) week 80 hour pay period.
- B. An employee will be given fourteen (14) calendar days' notice of a change in the employee's work week, work hours, or days off, except in an official emergency, or to meet unforeseen law enforcement needs.
- C. An employee who rotates shift assignments (day shift to night shift or night shift to day shift) should have a minimum of twenty-four hours off between the end of the current shift assignment and the beginning of the new shift assignment, except when an emergency situation or staffing limitations do not permit. Up to twelve (12) hours of paid administrative leave will be granted for this.
- D. The Department will determine the shift for which the administrative leave will be granted. If the leave cannot be granted between shifts, leave will be granted within 30 calendar days except when an emergency situation or staff limitation do not permit. Any leave will be taken in accordance with Department policy and this contract.

7.2. Work Day

- B. The Department will make reasonable efforts to ensure that employees receive a thirty (30) minute paid meal break each shift, and two paid fifteen minute breaks, one in the first half of the shift and one in the second half of the shift. These breaks will be considered work time. Employees may be called to return to duty during these time worked periods. There shall be no penalty or monetary consequences if the meal or other breaks are not received.

Should a bargaining unit employee work a holiday or if a holiday falls on the employee's regularly scheduled day off, special compensatory leave will be earned as follows:

- A. Employees who work a regular duty shift of any length that STARTS on the day of a holiday will earn special compensatory leave hour for hour for actual time worked, up to the maximum number of hours of the employee's regularly scheduled shift for that day (example: for 12-hour shift employees the maximum number of special compensatory hours earned would be 12; and for 10-hour shift employees the maximum number of special compensatory hours earned would be 10).

7.7. Reimbursable Event Pay

- A. Lieutenants are eligible to work billable reimbursable overtime events, to include assignments at the officer and sergeant rank. However, the acceptance of an officer or sergeant assignment shall not relinquish a lieutenant from any and all of their supervisory responsibilities as a lieutenant.
- B. Lieutenants shall be assigned the position(s) with the highest designated rank (up to Lieutenant) for the reimbursable event.
- C. When assigned as a Lieutenant for reimbursable events, the University will provide retirement eligible event pay at a \$60 flat rate per hour for a minimum of three hours. Any time over 3 hours will be pro-rated for any portion of an hour at the \$60 an hour rate.

Article 8

8.2. Call-Back

Call-back does not include scheduled meetings, trainings, activities, or other events previously scheduled or mutually agreed upon. Employees shall be permitted to flex or adjust their work schedule for work time beyond the employee's scheduled work hours for the day in accordance with Section 8.5.

For call-back to work, employees shall be credited with the actual time worked times 1.5 hours, including travel time between the employee's home and the assigned work location, or a minimum of four (4) hours, whichever is greater.

8.3. Court Appearances and Hearings

Court appearance shall be defined as any time an employee appears as a witness pursuant to a subpoena, in a job-related court case, not during the employee's regularly assigned shift. Student Conduct hearings or Bureau of Administrative Review hearings are also covered under this definition. Any time accrued beyond the employee's scheduled work hours shall be pre-approved by a supervisor when possible or as soon as practical when due to unforeseen circumstances. All flex time will be accounted for in fifteen (15) minute increments and taken at the mutual agreement of the employee and Department. In the event that any time described in this article cannot be flexed within the same pay period, the member shall flex the time within thirty (30) calendar days. However, this timeframe can be extended with the mutual agreement of the member and Department. In the event there is no resolution, the Chief of Police or designee will decide the outcome.

Article 10

Performance Evaluations

10.1. Performance Evaluations

- A. Employees shall be subject to performance evaluation by the Department which shall ordinarily be done by the employee's immediate supervisor. Performance ratings shall be based on an analysis of the employee's actual job performance. Numerical arrest, citation, or violation totals will not be used as a principal basis for determining the overall level of rating for any employee.
 - 1. The Employee Evaluation will have either a rating of "Below Performance," "Achieves Performance" or "Exceeds Performance", and no numerical rating will be used.
 - 2. Generally, without compelling circumstances, the employee's evaluation shall normally receive an overall rating based on the majority rating. Ex. An employee receives three (3) achieves, and two (2) exceeds on their evaluation. The employee shall generally be assigned an achieves as an overall rating, unless compelling circumstances exist. In the event that the employee has had a significant issue/event, the rating supervisor may assign the more appropriate rating, irrespective of the guidelines above.
- B. In the event the employee is in danger of receiving a "Below Performance," the employee shall be provided with information regarding the basis of the evaluation in the form of a written copy of all employee notes and documents which are used for the evaluation period as soon as the deficiency has been brought forward so that the bargaining unit member may begin to make the necessary corrections.
- C. If an employee is not probationary and does not meet the performance standards of current classification, the University shall develop a performance plan intended to correct performance deficiencies.
- D. Such employee shall also be granted, upon written request, an opportunity to discuss with an administrator at the next highest-level concerns regarding the evaluation, which rates the employee as "Below Performance." If that meeting does not resolve the employee's concerns, the employee shall be granted, upon written request, a performance evaluation review conference with the Chief of Police and the Division of Human Resources. These reviews shall ensure that the performance evaluation was not done in an arbitrary or capricious manner.
- E. The employee may be removed from his or her position for performance reasons no sooner than sixty (60) days after receipt of the improvement plan if adequate improvement is performance is not made and sustained.

Article 11

Internal Investigations and Discipline

11.1. Internal Investigations

- A. The parties recognize that law enforcement personnel occupy a special place in American society. Therefore, it is understood that the University has the right to expect that a professional standard of conduct be adhered to by all law enforcement personnel regardless of rank or assignment. Since internal investigations may be undertaken to inquire into complaints of misconduct, the University reserves the right to conduct such investigations to uncover the facts in each case, but expressly agrees to carefully guard and protect the rights and dignity of accused employees. In the course of any internal investigation, the investigative methods, and processes used will be consistent with the Law Enforcement Officers' Bill of Rights, Part VI of Chapter 112, Florida Statutes. It is recognized, however, that alleged violations of the Law Enforcement Officers' Bill of Rights are subject only to processing as a grievance up to Step 2 of the Grievance Procedure in addition to the remedies provided by statute.

1. The person is willing to submit a signed written statement; or
 2. The allegation would constitute criminal misconduct or a serious policy violation;
or
 3. There is independent evidence available, such as Department records, which may be used to corroborate the complaint.

instructed not to exceed eight (8) hours per day, five (5) days per week.

11.2. Expedited Corrective Action Process

A PBA-LT bargaining unit member who is the subject of a complaint may agree to participate in ECAP for an administrative investigation described as follows:

A. Purpose of ECAP

1. A formal investigation and disciplinary appeal can consume considerable time and resources.
2. On a purely voluntary basis, the subject employee may wish to acknowledge having violated agency policy or directives and accept discipline, rather than proceeding with a formal investigation and disciplinary appeal.
3. ECAP is designed to reduce the length of time it takes to complete an investigation.
4. ECAP is available to address all violations of UFPD Directives and University Regulations, except for a Criminal Conduct violation.
5.  - b. Upon receiving a complaint, the supervisor shall forward it to the Chief or Designee.
 - c. If the Chief or Designee determines the complaint is appropriate for ECAP, the Chief or Designee shall notify the employee that he or she is the subject of an Administrative Investigation. Notification to the employee by the Chief or Designee may be made in person, memorandum, or Notice of Administrative Investigation.

2. ECAP Phase II – Chain of Command Recommendations

- a. The subject employee’s performance history and all previous discipline history with the agency shall be considered consistent with the limits in the Article 11.

- c. The Chief or Designee may offer the employee an opportunity to participate in ECAP and must notify the employee what level and amount of discipline they will receive if they agree to participate in the ECAP.
- d. Once the Chief or Designee offers the option of ECAP, the employee has five (5) calendar days to respond as to whether or not he or she would like to participate in ECAP.
- e. In order to initiate ECAP, the employee must give his or her response, in writing via the ECAP Response form, to the Chief or Designee within five (5) calendar days’ notice of the complaint.
- f. Upon an employee signing the ECAP Response form, the Chief or Designee shall complete the ECAP Agreement and, if the Agreement is completed by a Designee, forward the Agreement and Response forms through the chain of command for review, approval signatures and recommendations.

3. ECAP Phase III – Final Review and Acceptance of ECAP

- a. The employee has five (5) calendar days to review the finalized ECAP Agreement recommendation. If the ECAP Agreement is not returned back to the Chief or Designee within five (5) calendar days, the employee will be deemed to have withdrawn his or her waiver of an investigation and the investigation will proceed. The University may withdraw its agreement to ECAP and begin an investigation at any time before the employee returns the executed ECAP Agreement.
- b. By signing the ECAP Agreement, the subject employee agrees that:
 - i. The employee is participating in the ECAP process freely and without any expressed or implied threat, promise or intimidation.
 - ii. The employee does not wish to contest the factual allegations in the complaint.
 - iii. The employee waives their rights under Chapter 112, F.S. “Law

Enforcement Officers' and Correctional Officers' Right”.

- iv. The employee waives any and all further appeals or grievances concerning the investigation and discipline imposed through ECAP.
- v. Consistent with the limitations in Article 11, corrective action imposed as a result of an ECAP Agreement may be used for purposes of progressive and cumulative discipline for future disciplinary action whether that disciplinary action is addressed in the ECAP program or through the full investigation process.
- c. The ECAP Agreement shall serve as the Notice of Proposed Discipline, as well as the Notice of Final Discipline and shall not establish binding precedent on the Chief of Police or the University in other cases, including with regard to discipline for other employees involved in the same incident.
- d. A copy of the signed ECAP Agreement will be sent to the:
 - i. Subject employee.
 - ii. Appropriate Division Commander.
 - iii. Office of Professional Standards—to be placed in the employee's discipline file.
 - iv. Human Resources Department.

If, during or after the ECAP process, it is determined that an employee provided false or materially incomplete information to the University, the employee may be subject to discipline independent of any corrective action taken as a result of the ECAP process.

- 11.3. The University and the PBA endorse the principle of progressive discipline, while at the same time recognizing that certain types of actions or offenses are of such a nature as to warrant immediate dismissal. The purpose of this Article is to provide a prompt and equitable procedure for disciplinary action taken with just cause. Supervisors shall provide privacy to the extent practicable when administering disciplinary actions. The University shall administer standards for performance and conduct to ensure timely and equitable disposition of disciplinary problems. Discipline can be imposed for just cause only.

Levels of penalties are dependent upon the seriousness of the offense and any aggravating or mitigating circumstances, or as otherwise required by law. The concept of progressive discipline is endorsed dependent upon the offense. Each situation is assessed on a case by case basis, however, the University shall consider other discipline-related offenses collectively when in the best interest of the University. Appropriate disciplinary penalties include: oral reprimand, written reprimand, suspension without pay, or

dismissal.

- A. Disciplinary actions administered to employees may be taken only for just cause. Discipline shall be processed and issued in accordance with University rules and procedures in effect at the time the discipline is issued.
- B. Written reprimands shall not be used in progressive disciplinary actions against an employee provided the employee has maintained a discipline free work record for at least two (2) consecutive years.
- C. Oral reprimands shall not be used in progressive disciplinary actions against an employee provided the employee has maintained a discipline free work record for at least one (1) year.
- D. When the Department is considering whether to dismiss an employee for cause, the Department shall have the ability to review and consider the individual's entire employment history.
- E. Each employee shall be furnished a copy of all disciplinary actions placed in the employee's official personnel file and shall be permitted to draft a rebuttal statement.
- F. An employee may request that a PBA-LT Staff Representative or Division of Human Resources representative be present during any disciplinary investigation meeting in which the employee is being questioned relative to alleged misconduct of the employee, or during a predetermination conference in which dismissal, suspension, or disciplinary or performance based demotion with or without reduction in base pay of the employee is being considered.
- G. Except as otherwise provided in this Agreement, discipline may be grieved as follows:
 - 1. All employees may grieve oral or written reprimands through Step 2.
 - 2. Non-probationary employees may grieve dismissal, suspension and disciplinary or performance based demotion with reduction in base pay through Step 3.
 - 3. During promotion probation, employees may grieve dismissal through Step 3.
 - 4. During initial probation, employees may grieve suspension through Step 3.

11.4. Standards for Performance and Conduct

Just cause is required for disciplinary action. The type of employee conduct that supports just cause includes, but is not limited to, negligence, inefficiency, incompetence, inability or unwillingness to perform assigned duties, repeated and/or gross substandard performance of assigned duties, unsatisfactory attendance, insubordination, violation of

the provisions of law or University rules, conduct unbecoming a public employee, misconduct, habitual drug abuse, or conviction of any crime involving moral turpitude. When determining whether just cause exists, the following questions should be considered:

1. Was the employee given advance warning or knowledge of possible or probable disciplinary consequences of the employee's conduct?
2. Was the rule or managerial order reasonably related to the orderly, efficient, and safe operation of the job function?
3. Before administering discipline to an employee, was an effort made to discover whether the employee did, in fact, violate or disobey a rule of management?
4. Was the investigation conducted fairly and objectively?
5. Have the rules, orders, and penalties been applied evenly and without discrimination to all employees?
6. During the investigation, was there developed substantial evidence or proof that the employee was guilty of the offense as claimed?
7. Is the degree of discipline reasonably related to the seriousness of the proven offense and the employee's record of service with the University?

A supervisor's activities regarding disciplinary action should be conducted in such a way that all of the following questions could be answered "yes" if the facts were reviewed at a later date. However, the failure to answer "yes" to any one of these factors shall not automatically constitute grounds for reversing a disciplinary action. For instance, and by way of example only, if the grievance officer or arbitrator concludes that the University's investigation was deficient in some respect, but that the deficiency was such that the employee was not prejudiced, the grievance officer or arbitrator may decide to uphold the discipline imposed by the University. Similarly, and by way of example only, the University's failure to meet the literal requirements of notice, reasonable rule, equal treatment or penalty, may be excused by the grievance officer or arbitrator either because there was no demonstrable injury to the employee or because the University acted within the bounds of its reasonable discretion.

11.5. Job Abandonment

Any employee who is absent from work for three (3) or more consecutive work days without authorization shall be considered to have abandoned his or her position, and may be dismissed. Only an employee who is not in an initial probationary status may file a grievance pursuant to this Section.

11.6. Predetermination Procedures

- A. **Written Notice**—Prior to the dismissal, suspension, or disciplinary reduction in pay of a permanent employee, the University shall give the employee written notice as follows:
1. The employee shall be given written notice of the proposed action at least five (5) days prior to the date the action is to be taken.
 2. If the employee is available, the notice shall be hand-delivered to the employee and the employee shall acknowledge receipt. Otherwise, the notice shall be mailed to the employee by certified mail, return receipt requested. The mailed notice shall be considered received by the employee even if refused or ignored.
- B. **Contents of Notice**—The notice shall be signed by the person authorized to make the final decision or his or her designated representative and shall include the following:
1. The effective date of the University’s proposed final action;
 2. The specific charges or reasons for the action;
 3. A list of documents on which the charges or other reasons are based; and a statement that documents shall be available to the employee upon request;
 4. A statement that the employee may, within two (2) workdays of receipt of the notice, submit a request in writing for a conference at which the employee may make an oral or written statement, or both, to the University to refute or explain the charges or reasons for the action; and the name, address, and telephone number of the person to whom the request for a conference shall be directed;
 5. A statement that the requested conference must be held prior to the proposed effective date of the action, at a time and place determined by the University, normally during regular business hours, and that the employee may bring a representative to advise and assist;
 6. A statement that the University of Florida desires to reduce the risk of error in taking the action against the employee and to avoid damaging the employee’s reputation by untrue or erroneous charges, and therefore, the University is interested in receiving and considering the employee response; and
 7. Will include reference to CBA Article 11.6.
- C. **Conference**—If a conference is requested by the employee, it must be conducted by the person(s) authorized to make the final decision or his or her designated representative(s) as follows:
1. The person(s) conducting the conference shall convene the conference at the time

and place set by the University and shall identify all participants. He or she shall explain that the purpose of the conference is to hear the employee's response to the charges in order to protect the employee from erroneous or arbitrary adverse action, to afford the University an opportunity to reevaluate its position after reviewing the information presented by the employee, and to thereafter affirm or alter the disciplinary action as may be warranted.

2. The conference shall be informal and shall not be in the nature of an evidentiary hearing. The employee may bring a representative to assist or advise him or her, but discovery, cross-examination, and similar legal procedures are not permissible. The employee shall be permitted to submit relevant information, orally or in writing, or both, with the privilege being reserved to the University of Florida to give such information the weight it deems proper. The employee shall be informed that if he or she chooses to make no response, the University of Florida will proceed on the basis of the best information it can obtain without such response.
 3. After the conference is conducted, the employee shall be notified, as soon as practicable, that the proposed final action will be effective on a specific date, that the proposed final action has been revised, or that no action will occur.
- D. Decision—After the conference, if the University determines that it will proceed with the reduction in pay, suspension, or dismissal of the employee, the employee shall be notified in writing by personal delivery or by certified mail, return receipt requested, within five (5) workdays from the date the action is effective, of the employee's right to grieve under Article 15. In the course of any disciplinary processes used will be consistent with the Law Enforcement Officers' Bill of Rights, Part VI of Chapter 112, Florida Statutes.
- E. During the period between the first notice and the effective date of the action, one (1) of the following options shall be used by the University: retain the employee in his or her usual duties; temporarily assign the employee to other duties; or place the employee on paid administrative leave.

Article 12

Drug Testing and Fitness for Duty

- 12.1. It is the policy of the University that its employees shall not use illegal drugs or abuse alcohol or otherwise lawful drugs. The possession, use or sale of illegal drugs or drugs obtained illegally is forbidden to all employees, regardless of whether such use, possession or sale occurs on or off duty and may serve as grounds for discipline up to and including dismissal. The use or possession of alcoholic beverages while on duty (including break and meal periods) is expressly prohibited.
- 12.2. Any employee covered by this Agreement shall be subject to a blood, urine, hair or intoxilizer test accomplished by certified and qualified operators if there is reasonable suspicion on the part of the employee's immediate supervisor and the Police Chief or designee, that the employee is under the influence of alcohol, drugs or controlled substances while on duty or is otherwise in violation of Article 12.1. Any specimen collected will be tested by a certified and accredited laboratory. For purposes of determining reasonable suspicion, the Department will use the standards described under Section 112.0455, Florida Statutes.
- 12.3. When an employee tests positive (e.g., a drug or drugs is detected), a second test will be run on the sample originally taken. The standards for determining whether a test is positive will be as provided under Chapter 59A-24, Florida Administrative Code, or any successor thereto. If the second test does not detect the presence of a drug or drugs, the second test shall prevail.
- 12.4. Testing will be done at the University's expense. Prior to testing, the employee shall be afforded the opportunity to disclose any medications or substances that may impact the test results. If the test results establish with reasonable scientific certainty that an employee is present at work with the presence of alcohol or drugs in his or her system, the employee may be disciplined or dismissed.
- 12.5. The failure or refusal of an employee to submit to a blood, urine hair, or intoxilizer test when ordered to take such test shall result in dismissal.
- 12.6. In the event that an employee informs the University of his or her abuse of alcohol/drugs prior to reporting for duty and prior to testing, disciplinary action may be taken, up to and including dismissal; however, the University may, at its sole discretion, instead allow an employee the option of enrolling in a bona fide rehabilitation/treatment program. Failure to successfully complete the rehabilitation/treatment program within the time frame specified by the rehabilitation/treatment program/healthcare provider and, verified by University of Florida Human Resources, shall result in dismissal. Sick leave and/or vacation may be utilized for rehabilitation and treatment. If sick leave and vacation credits have been exhausted, employee may be granted a leave of absence, without pay. Leaves under this Section may be designated as FMLA where permitted or required by

law. If a rehabilitation opportunity is afforded, it shall be permitted for a first offense only.

- 12.7. The parties agree that during the term of this Agreement, the University shall have the right to establish a Drug Free Workplace Program as set forth in Chapter 440, Florida Statutes, and that the University may update the program to conform to changes in the law and regulations. The University will provide the PBA-LT with a copy of any proposed Drug Free Workplace program at least thirty (30) calendar days before implementation, and upon request, consult with the PBA-LT before the Program's effective date.
- 12.8. Health and Fitness Program. The University shall consult with PBA-LT prior to implementing a mandatory health and fitness program for employees. Such consultations shall not constitute a waiver of the PBA-LT's right to negotiate concerning changes in terms and conditions of employment.

Article 13

Employment Status

13.1. Employment Status Law Enforcement LT

Employees in the bargaining unit, as defined in Article 1, will be employed in regular status under a Law Enforcement LT classification (or “pay plan” for purposes of the University’s employee database system), and are subject to a probationary period starting at the time of promotion or new-hire. The Chief, or designee, may extend an employee’s initial or promotional probationary period as follows:

- A. Performance-Related. If the Chief, or designee, determines that an employee on initial or promotional probation needs additional time to perform the full range of job responsibilities or demonstrate the competence necessary to fully and consistently perform job functions, the Chief, or designee, may extend an employee’s probationary period in three (3) month increments not to exceed a total of twenty-four (24) months. If the Chief, or designee, extends an employee’s probation for performance-related reasons, the employee shall be given at least fourteen (14) calendar days’ notice prior to the expiration of the probationary period along with a written notice of the employee’s deficiencies and a corrective action plan for successful completion of probation.
- B. Non-Performance Related. The Chief, or designee, may extend an employee’s initial or promotional probationary period for non-performance related reasons, such as limited opportunity to train under normal operating conditions and/or limited ability to participate in on-the-job training. If the extension is for non-performance related reasons, the Chief, or designee, shall provide the employee with notice of the extension and the reason for the extension. This notice may be provided to the employee at any time during the probationary period. For non-performance related extensions, there is no specified increment of the extension period other than the probationary period cannot total more than twenty-four (24) months.
- C. Subject of Active IA. The initial or promotional probationary period of an employee who is the subject of an active IA shall be tolled during the pendency of the IA. The tolling period shall commence on the date the University provides the employee with written notification of the internal investigation and continue until the IA is complete. No other notice is necessary for the tolling period to commence. Once the IA is complete, the tolling period shall end, and the initial or promotional probationary period shall re-commence. Nothing in this subsection (c) shall affect the right of the Chief, or designee, to extend the initial or promotional probationary period in accordance with subsections (a) and (b), above. The tolling period shall not be counted towards the twenty-four (24) month period set forth in subsections (a) and (b).

A probationary performance appraisal is required for all employees serving in a probationary period. Employees must meet the performance standards of their designated position. The performance appraisal rating period shall be the same as the probationary period. The probationary performance appraisal should be completed and presented within the last 30 days of the rating period. If an extended probationary period is required, the rating period shall be extended by the same length of time.

If a performance appraisal is not completed to evaluate an employee's original or extended probationary period, then the employee will be considered to be performing at an acceptable level of competence and thereby default to an achieves rating.

Following successful completion of an initial or the promotional probationary period, employees shall be awarded permanent status in the rank of their appointment. Employees with permanent status may not be terminated absent just cause pursuant to this Agreement. Employees who fail to successfully complete a promotional probationary period (to include any extensions) will be returned to their previous rank / position with a pay rate calculated based on what their rate of pay would have been had they remained in the prior position, unless dismissed for cause.

Article 14

Personnel Records

14.1. Personnel File

- A. There shall be only one official personnel file for each employee, which shall be maintained in the Division of Human Resource Services. Duplicate personnel files may be established and maintained within the University. Such duplicate personnel files may contain part or all of the items filed in the official personnel file, but may not contain any items that are not filed in the official personnel file.
- B. An employee will have the right to review his/her official personnel file at reasonable times under the supervision of the designated records custodian. An employee may attach a concise statement in response to any items included in the file and shall be sent a copy of any derogatory material which is placed in the file.
- C. The University and the PBA-LT agree that letters of counseling or memos are not discipline.

Article 15

Grievance Procedure

15.1. Policy

- A. The University and the PBA encourage the informal resolution of employee complaints. To that end, employees should present such complaints for review and discussion as soon as possible to the University representative who has authority to address the complaint. Such review and discussion should be held with a view to reaching an understanding which will resolve the complaint in a manner satisfactory to the employee, without need for recourse to the formal grievance procedure prescribed by this Article. If the complaint is not resolved by such informal discussion, the employee may proceed to file a grievance consistent with the provisions of this Article and subject to the limitations established by Section 447.401, Florida Statutes.
- B. "Grievance" means a dispute filed with the Police Chief/designee (Step 1, 2 or 3) using Appendix B, C or D of this Agreement concerning the interpretation or application of a specific provision of this Agreement, except as exclusions are noted. All grievances must be filed within ten (10) days of the act or omission giving rise to the grievance or the date on which the employee knew or reasonably should have known of such act or omission if that date is later.
- C. "Grievant" means an employee or group of employees who has/have filed a grievance in a dispute over a provision of this Agreement which confers rights upon the employee, or the PBA.
- D. "Days" means Monday through Friday, excluding any day observed as a holiday by the University. In calculating days under this Article, the date of the act or omission shall not be counted.
- E. A grievant who decides to use this Grievance Procedure shall, prior to the Step 1 meeting, choose whether to be represented by the PBA. A grievant shall not be represented by a PBA Representative who serves as that employee's regular first level supervisor, and a supervisor may not be represented by a PBA Representative who is regularly directly supervised by the grievant.
 - 1. When the grievant has elected PBA representation, both the grievant and the PBA Representative shall be notified of the Step 1 meeting. Further, any written communication concerning the grievance or its resolution shall be sent to both the grievant and the PBA Representative, and any decision agreed to by the University and the PBA shall be binding on the grievant.
 - 2. If the grievant is not represented by the PBA, Human Resources shall timely notify the PBA such that the PBA is given reasonable opportunity to be present at any meeting called for the resolution of such grievance. The processing of the grievance and any resolution will be in accordance with the terms of this Agreement.

3. The PBA shall not be bound by the decision of any grievance or arbitration in which the grievant was not represented by the PBA.
- F. The filing or pendency of any grievance under the provisions of this Article shall in no way operate to impede, delay, or interfere with the right of the University to take the action it proposes, subject to the final disposition of the grievance. In the event an employee is given a directive by a supervisor which he or she believes to be in conflict with the provisions of this Agreement, the employee shall comply with the directive at the time given, but may thereafter grieve such directive to the extent permitted by this Agreement. The employee's compliance with such directive shall not prejudice his or her right to pursue a grievance.
- G. The resolution of a grievance prior to a written decision of an arbitrator shall not establish a precedent binding on the PBA, or the University.
- H. Only those acts or omissions and sections of the Agreement identified at Step 1 may be considered at subsequent steps.
- I. There shall be no reprisals against any of the participants in the procedures contained herein by reason of such participation.
- J. If a grievance meeting is held or requires reasonable travel time during the working hours of any required participant, such participant shall be excused without loss of pay for that purpose. Attendance at grievance meetings outside of the regular working hours shall not be deemed time worked.
- K. Each grievance, request for review, and arbitration notice must be submitted in writing on the appropriate form attached to this Agreement as Appendices B, C and D and shall be signed by the grievant. One Appendix B, C, and D may be filed and signed by a designated UFPD PBA representative for a grievance with more than three grievants, provided that the respective Appendix bears the names of all grievants. Grievances shall be considered filed upon date of receipt. Except for the initial filing of the grievance, if there is difficulty in meeting any time limit, a PBA representative may sign such forms for the grievant.

15.2. Procedures

A. Step 1

1. An employee having a grievance may, within ten (10) days following the occurrence of the event giving rise to the grievance, present the written grievance to the Deputy Chief setting forth specifically the complete facts on which the grievance is based, the specific provision or provisions of the Agreement allegedly violated, and the relief requested. The Deputy Chief shall schedule a meeting between the grievant, the grievant's designated representative, grievant's supervisor, or other appropriate individuals. The grievant shall have the right to present any evidence in support of the grievance at this meeting. If the meeting does not result in resolution of the grievance, the Deputy Chief will proceed with processing the grievance and issuing a written

decision, stating the reasons thereof to the grievant's designated PBA representative within ten (10) days following the receipt of the written grievance, or the meeting scheduled pursuant to this paragraph, whichever is later, unless an extension has been granted. If an extension was granted, the decision shall be issued by the agreed upon date. A copy of the decision shall be sent to the grievant and to the PBA if grievant elected not to be represented by the PBA. The decision shall be transmitted by personal delivery with written documentation of receipt or by certified mail, return receipt requested.

2. Where practicable, the Deputy Chief shall make available to the grievant or grievant's designated representative, documentation referenced in the Step 1 decision prior to its issuance. All documents referred to in the decision and any additional documents presented by the grievant shall be attached to the decision, together with a list of these documents. In advance of the Step 1 meeting, the grievant shall have the right, upon written request, to a copy of documents identified as relevant to the grievance.
3. In the absence of an agreement to extend the period for issuing the Step 1 decision, the grievant may proceed to Step 2 if the grievant or grievant's designated representative, as applicable, has not received the written decision by the end of the 10th day following the Deputy Chief's receipt of the grievance, or the meeting scheduled pursuant to Section 15.2.A.1 above, whichever is later.

B. Step 2

1. If the grievance is not resolved at Step 1, the grievant may file the grievance in writing with the Assistant Vice President of Public and Environmental Safety within ten (10) days following receipt of the decision at Step 1. When the grievance is eligible for initiation at Step 2, the Grievance form must contain the same information as a grievance filed at Step 1 above. The Assistant Vice President of Public and Environmental Safety may have a meeting with the employee and/or a PBA Representative to discuss the grievance.
2. The Assistant Vice President of Public and Environmental Safety shall communicate a written decision to the employee and to the PBA Representative within ten (10) days following receipt of the written grievance or the meeting scheduled pursuant to Section 15.2.B.1 above, whichever is later.

C. Step 3—Arbitration

1. If the grievance is not resolved at Step 2, the PBA Representative may appeal the Step 2 decision to Arbitration on a Notice of Arbitration form as set forth in Appendix D, within ten (10) days after receipt of the decision at Step 2 except as exclusions are noted. If the PBA did not represent the grievant at Step 2, the grievant may appeal the grievance to Arbitration.
2. The University and the PBA may, by written agreement, submit related grievances for hearing before the same arbitrator.
3. The arbitrator shall be one person from a list of seven (7) qualified neutrals from the Federal Mediation Conciliation Service (FMCS), all of whom shall have a Florida

address for purposes of contact and travel expenses. The party requesting arbitration will be responsible for requesting the list from FMCS. The University and PBA shall select arbitrators by alternately striking from the list until one name remains. In contract interpretation grievances, the PBA shall strike first, while in grievances involving discipline, the University shall strike first.

4. Arbitrability. Issues of arbitrability shall be bifurcated from the substantive issue(s) and, whenever possible, determined by means of a hearing conducted by conference call. The arbitrator shall have ten (10) days from the hearing to render a decision on arbitrability. If the issue is judged to be arbitrable, the same arbitrator shall hear the substantive issue(s).
5. Arbitration hearings shall be held at times and locations agreed to by the parties. Under normal circumstances, hearings will be held in Gainesville; however, selection of the site shall take into account the availability of evidence, location of witnesses, and existence of appropriate facilities. Arbitration hearings shall be held in person unless otherwise mutually agreed to by the parties. Nothing herein, however, shall affect an arbitrator's authority to allow a witness to testify remotely via Zoom/other platform as circumstances may warrant.
6. The arbitrator may fashion an appropriate remedy to resolve the grievance and, provided the decision is in accordance with his/her jurisdiction and authority under this Agreement, the decision shall be final and binding on the University, the PBA, the grievant(s), and other employees. In considering a grievance, the arbitrator shall be governed by the following provisions and limitations:
 - a. The arbitrator's decision shall be in writing and shall set forth the arbitrator's opinion and conclusions on the issue(s) submitted.
 - b. The arbitrator shall have no authority to determine any other issue and shall refrain from issuing any statement of opinion or conclusion not essential to the determination of the issue(s) submitted.
 - c. The arbitrator shall limit his/her decision strictly to the application and interpretation of the specific provisions of this Agreement.
7. The arbitrator shall be without power or authority to make any decisions:
 - a. Contrary to or inconsistent with, adding to, subtracting from, or modifying, altering, or ignoring in any way the terms of this Agreement, or the provisions of applicable law, rules, or regulations having the force and effect of law; or
 - b. Limiting or interfering in any way with the powers, duties, and responsibilities of the State under its Constitution, applicable law, rules, and regulations having the force and effect of law, except as such powers, duties, and responsibilities have been abridged, delegated, or modified by the provisions of this Agreement.
8. The arbitrator's award may include back pay to the grievant(s); however, the following limitations shall apply to such monetary awards:

- a. No award for back pay shall exceed the amount of pay the employee would otherwise have earned at his/her regular rate of pay, and such back pay shall not be retroactive to a date earlier than the date of the occurrence of the event giving rise to the grievance under consideration, and in no event more ten (10) days prior to the filing of the grievance; and
 - b. The award shall not exceed the actual loss to the grievant and will not include punitive damages or other speculative compensation which might have been earned and shall be reduced by replacement compensation received by the employee during the period of time affected by the award.
9. Each party shall be responsible for compensating and paying the expenses of its own representatives, grievant(s), attorneys, and witnesses. The reasonable fees and expenses of the arbitrator, shall be borne solely by the party who fails to prevail in the hearing; however, each party shall be responsible for compensating and paying the expenses of its own representatives, attorneys, and witnesses. If the arbitrator fashions an award in such a manner that the grievance is sustained in part and denied in part, the parties will evenly split the arbitrator's fee and expenses. The party requesting a court reporter will pay the appearance fee of the court reporter and the cost of obtaining an original transcript for the arbitrator if one is ordered, but the cost may be split if mutually agreed to by the parties. Each side shall bear their own costs for copies of the transcript.
10. The PBA will not be responsible for costs of an arbitration to which it was not a party. Rather, such costs shall be the responsibility of the grievant.

15.3. Burden of Proof

- A. In all grievances, except grievances involving disciplinary action, the burden of proof shall be on the employee.
- B. In grievances involving disciplinary action, the burden of proof shall be on the University.
- C. The burden of proof in all grievances shall be the preponderance of the evidence.

15.4. Time Limits

- A. Failure to initiate a grievance within the time limits specified shall be deemed a waiver of the grievance. Failure at any Step of this procedure to submit a grievance to the next Step within the specified time limits shall be deemed to be acceptance of the decision at that Step.
- B. Failure at any Step of this procedure to communicate the decision on a grievance within the specified time limits shall permit the grievant, or the PBA where appropriate, to proceed to the next Step.
- C. The time limits specified in any Step of this procedure may be extended, in any specific

instance, by written agreement.

- D. Claims of either an untimely filing or untimely appeal shall be made at the Step in question.

15.5. Exceptions

- A. Nothing in this Article or elsewhere in this Agreement shall be construed to permit the PBA or an employee to process a grievance with respect to any matter which is at the same time the subject of an action which has been filed by a grievant in another forum, administrative or judicial. As an exception to this provision, a grievant may file an EEOC charge while a grievance is in progress when such filing becomes necessary to meet federal filing deadlines pursuant to 42 U.S.C. Section 2000, et seq.
- B. The University and the PBA may mutually agree to waive Step 1 of the grievance procedure in order to expedite the processing of a grievance.

Article 16

Health and Safety

- 16.1. The University shall make every effort to provide employees a safe and healthy working environment. The University and the PBA-LT agree to work cooperatively toward reducing job related injuries and Workers' Compensation costs by encouraging improved safety measures.
- 16.2. Employee Health and Safety
- A. When the University requires an employee to use or wear health or safety equipment, such equipment will be provided by the University.
 - B. Any employee who becomes aware of a work-related accident shall immediately notify the supervisor or the supervisor's designee of the area where the incident occurred.
 - C. When an employee believes an unsafe or unhealthy working condition exists in the work unit, the employee shall immediately report the condition to the supervisor or the supervisor's designee. The University shall investigate the report and respond to the employee.
 - D. Upon submission of a Workers' Compensation Uniform Medical Treatment Form (DWC25), employees required to attend follow-up medical appointments during their regularly scheduled work hours related to an injury/illness initially covered by Workers' Compensation shall be permitted to attend the appointment without loss of any pay or accrued leave (time worked), up to a maximum of forty (40) hours per Workers' Compensation injury or illness. However, in no event shall this result in compensation for overtime or compensatory hours/leave.
- 16.3. Vehicles and Equipment
- A. Law enforcement officers who hold the rank of Lieutenant shall be issued take home vehicles for the purposes of travel to and from work. The bargaining unit member will not live in excess of thirty-five (35) air miles from UFPD Main Station in order to be eligible for a take home vehicle. UFPD vehicles shall be utilized in accordance with applicable UFPD directives governing vehicle usage.

Article 27

Layoffs and Recall

- 27.1. Separation from employment shall be administered consistent with the following provisions:
- A. An employee who resigns from employment shall have no rights of appeal.
 - B. An employee who is absent without approved leave for three or more consecutive workdays shall be considered to have abandoned the position.
 - C. The President or President's designee may dismiss an employee for just cause in accordance with Article 11.
 - D. Employees without permanent status may be separated from employment at any time without rights to appeal.
- 27.2. Layoffs shall be administered consistent with the following provisions:
- A. Reasons for layoff, which may occur at any time, are: adverse financial circumstances; reallocation of resources; reorganization of degree or curriculum offerings or requirements; reorganization of academic or administrative structures, programs, or functions; curtailment or abolishment of one or more programs or functions; shortage of work; or a material change of duties. The President or designee shall notify the appropriate employee organizations when layoffs are to take place.
 - B. President or designee shall designate a layoff unit at an organizational level such as a division, college, school, department, area, program, or other level or organization as the President or designee deems appropriate. In designating the makeup of the layoff unit, the President or designee shall consider the special qualifications and relevant experience required for specific positions and exclude such positions from layoff. The President or designee will designate layoff units at the University of Florida as determined by administrative reporting rather than funding. Other than the exceptions noted in this rule, the unit employee with the fewest retention points in the designated classification will be the layoff candidate.
 - C. The layoff area for bumping purposes is designated as the affected Vice Presidential area.
 - D. An employee with permanent status shall not be laid off if there are employees in comparable positions with less retention points in the layoff unit.
 - E. Identification of Layoff Candidate and Notice of Layoff. The classification(s) of the position(s) to be abolished will be determined by the administrator(s) of the layoff unit. The Division of Human Resources identifies the incumbent(s) in the classification(s) that are to be issued layoff notice based on total retention points within the layoff unit. The

administrator of the unit as the President's designee determines which specific positions are to be excluded from the layoff unit based on the special qualifications and relevant experience required for the position. Written notice of layoff rights will be provided to an employee at least forty-five (45) calendar days in advance of layoff. The Division of Human Resources will make an initial assessment of the layoff candidate's rights to specific classifications.

- F. Consideration for Vacancies. The Division of Human Resources identifies vacant, posting positions to which the layoff candidate has rights. The assessment of the layoff candidate's match for a position will be determined by the hiring administrator of the position and will take into account whether successful performance can be expected for the layoff candidate after consideration of any special qualifications and relevant experience given a reasonable training period of up to six months. Where posting vacancies exist both within and outside the layoff unit, the priority placement obligation will be with the vacancy in the layoff unit. Employees who have applied and been offered any position waive their layoff rights upon acceptance.
- G. Consideration for Non-Vacant LEO Positions. If an appropriate vacant LEO position is not identified, then the Division of Human Resources will identify and coordinate interviews of employees for appropriate non-vacant positions, which shall be within the layoff area in which the layoff candidate is assigned, in retention point order:
 - 1. LEO positions held by employees with probationary status in the job classification.
 - 2. LEO positions held by employees with fewer total retention points than the layoff candidate.
- H. Layoff candidates who decline to interview for positions to which they have placement rights or who reject an offer that the Division of Human Resources deems to represent an appropriate match forfeit further layoff and recall rights and, as a result, voluntarily effect their final resignation.
- I. Retention Points. Within the layoff unit, employees with permanent status in the affected class shall be ranked on a layoff list based on retention points derived from length of service and evaluations. Employees who work less than full-time shall have their retention points determined in proportion to the FTE. Layoff rights extend only to employees who meet the specific qualification and equivalent full-time equivalent (FTE) of the position regardless of their placement on the layoff list. Retention points shall be computed as follows:
 - 1. One point for each month of continuous employment including service in the Career Service if employ in the State University System (SUS) on or before June 30, 1986.
 - 2. One point for each month of service meeting performance standards, and two points for each month of service with exemplary performance.
 - 3. Any period of leave for active military service in accordance with Chapter 115, F.S., shall count as continuous employment and shall be considered to be at the same level

of performance as last evaluated.

4. Any period of service prior to July 1, 1996, not covered by an evaluation, including periods of service during which no formal employee evaluation program existed, shall be computed as meeting performance standards. After July 1, 1996, performance will be computed as previously evaluated in the absence of a current evaluation.
 5. No retention points shall be granted for a month in which the employee was not on the payroll.
 6. After totaling the retention points, layoff shall be in order, beginning with the employee with the fewest points.
 7. When two or more employees have the same total retention points, preference for retention shall follow the order of the longest University service in the class, Veterans' preference, and as determined by the President or designee based upon the special qualifications and relevant experience of the employees.
- J. Recall Rights. Recall rights apply for a period of one year following layoff. When a vacancy occurs in the same position and class within the same layoff unit from which the employee was laid off, the employee with the highest number of retention points, who is not otherwise employed in an equivalent full-time position, and who meets the specific qualifications of the position, will be referred to the hiring authority for consideration.
- K. The following employees do not have layoff rights: an employee without permanent status in any class.
