GatorCare COBRA Enrollment

Employees have the option to enroll in COBRA coverage through **Inspira Financial** within 60 days from the end of their regular employee coverage. Enrollment packets will be mailed within 2-3 weeks after separation, but employees may also enroll by contacting Inspira Financial at 800-359-3921 **after their separation date**.

If selected, COBRA coverage will backdate to the end of the employee coverage to prevent a break in insurance.

COBRA rates may be slightly higher for employees who live outside the Gainesville area.
